

District 97's PERA Joint Committee met on Monday, January 11, 2016. The following items were discussed:

- Initiated the process of developing a survey to inventory current assessments.
- Approval of belief statement from last meeting by absent committee members.

- The following topics will be addressed at the next Joint Committee Meeting:
 - The committee will finalize a survey to inventory current assessments & follow up conversation around student growth and it's alignment to district mission
 - Evaluate staff feedback about PERA Belief Statement.
 - Complete decision-making about evaluating professional practice and begin to focus on the student growth component
 - Continue to deliberate as to what percent of the overall performance evaluation rating will be based on student growth (30% or 50%)
 - Evaluate staff feedback about PERA Belief Statement

Summary by Ashley Kannan and Dr. Carrie Kamm-PERA Joint Committee Members
