

D97 PERA Joint Committee Meeting Summary- April 11, 2016

District 97's PERA Joint Committee met on April 11, 2016. The following items were discussed:

- Discussion of what the process of teacher selection of Type II assessments should look like.
 - Decision made that a Type I assessment can be counted as a Type II, should there be agreement between teacher and evaluator.
 - Decision made as to how each Type II assessment will count as 15% each, making them 30%.
 - Discussion of what growth looks like, and how the concept of growth might look different in elementary and middle school settings.
- The following topics will be addressed at the next Joint Committee Meeting on April 25, 2016:
- Develop a plan and schedule for professional development for the remaining school year and implementation year.
 - Develop a process/chart for determining summative ratings
