

Name: _____

You don't have to be a wizard or know magic to predict what people are going to do. You just need to know a few tricks. And the tricks all have to do with thinking about how others might feel.

With an adult family member, read the list of Predicting Tricks below. Then try out your tricks with your adult to predict how each other might feel in the scenarios listed in the chart.

Predicting Tricks

- Think about what you know about the person.
- Think about how the action might affect the person.
- Think about how the person might react.
- Think about how you might react in the same situation.
