USE OF D97 SCHOOL FACILITIES

The Board of Education (the "Board") of the Oak Park School District 97 (the "District") constructs school facilities (the "Facilities") for the primary purpose of educating students of the District. However, when the Facilities are not in use for the purpose of educating students of the District, the Board believes it is in the best interest of the Oak Park community to make the Facilities available to non-District organizations for activities that:

1. Are consistent with statutes, applicable case law and regulations;
2. Are consistent with the primary purpose of the District;
3. Do not interfere with the regular operation of the District;
4. Follow the policies of the Board of Education and regulations of the District;
5. Are of benefit to the entire Oak Park community.

When not in use by the District, Facilities may be rented as provided herein.

The Board believes that Facilities shall not be used for promulgating any theory or doctrine subversive to the laws of the United States or any political subdivision thereof, or advocating governmental changes by violence; or for any activity that may violate the canons of good morals, manner or taste or be injurious to the buildings, grounds, equipment or supplies of the District.

REQUESTS: All requests for use of Facilities shall be submitted through the online rental system no less than fourteen (14) days before the date for which Facilities are requested. In addition, the Oak Park School District 97 will not manually enter reservations via the phone. All reservations must be done online.

CONTINUED USE: Continued use of Facilities by any organization or individual(s) (the "Lessee") shall be contingent upon following all of the policies, rules and regulations as prescribed by the District as well as applicable statutes and case law. Any continued usage agreement for Facilities may be terminated for violations of any of the above.

AUTHORITY: The Board shall have the final authority for granting or refusing any request for use of Facilities and may waive or amend current rules or regulations affecting such use without prior notification.

Section II

OVERVIEW

Oak Park School District 97's facilities are primarily intended to provide space for curricular and extra-curricular District programs. When not in use for the primary mission of the District, the space is available on a limited basis for rental by qualified non-profit organizations. Rentals may be made available to other groups or organizations on an even more limited basis. The District is unable to rent the Facilities for personal parties (including birthday parties) or events. Facilities will not be available during normal school hours. The District will black-out additional dates and times for its uses, including extra-curricular programs, meetings, staff-development and upkeep.

PRIORITY OF USE

Priority of facility usage shall be in the following order:

1. Group A
2. Group B
3. Group C
4. Group D
5. Group E
6. Group F

BLACKOUT CALENDAR

The District will provide the dates for which each Facility will not be available as early as possible. These dates are subject to change as the academic and athletic demands on the Facilities may change or unforeseen issues with the physical plant may require unscheduled work. The District will not invoice for such cancellations; however, the District will not be held liable for any hardship, financial or otherwise, that arises from a cancellation. The District reserves the right to decline very large events, despite space availability, due to the strains that the event will place on employees, facilities and/or parking.

OPENING AND CLOSING

Doors to Facilities will be opened not more than 15 minutes prior to the time of scheduled use and will in no instance be opened unless a representative of the District is present, if required. Exceptions may be granted by the District, at the discretion of the superintendent. All users shall be required to vacate the Facilities within 20 minutes after the approved ending time on the use agreement. In an effort to help preserve and protect the health and safety of our students, our staff members and the visitors to our schools, all district and community groups that use our facilities will be required to staff the front entrance of the building they are using from the time their events and activities begin until they are finished and a district employee has locked the doors.

Section III

CANCELLATION

Once a booking is confirmed and a signed contract is issued, all other outside requests for that space will be denied. Space should be reserved only for intended use and not to prevent others from having access to the space. Cancellations will be allowed up to one month prior to the event without penalty. Cancellations within one month will be charged for the full rental minus any labor charges or \$50 whichever is less. Frequent cancellations may result in the District revoking the rental privileges of the organization. In the event that a cancellation or rescheduling is due to unusual and unavoidable circumstances (weather, personal tragedy, security risk, et al.) the District may waive the cancellation charges at its sole discretion.

Section IV

RESERVATIONS

August 14th at 9:00am – the calendar will be open for booking reservations from August 14th through December 31st.

December 15th at 9:00am – the calendar will be open for booking reservations from January 1st through May 31th.

Requests for use of classrooms, related arts centers, music rooms or media centers, must be cleared with the teacher responsible for that room, and with the building principal. The following general rules will apply:

RELATED ARTS CENTERS: All tools, equipment and supplies located in the related arts center are the responsibility of the teachers assigned to their respective areas. In the event any person or group of persons wishes to use the tools and/or facilities, a request for use must be made to the related arts teacher who is responsible for the items in question. Before permission is granted by a related arts teacher for use of the equipment in the related arts area after school hours, the name, address and phone number of the person making the request should be given to the related arts teacher. If permission to use the equipment is granted, a sign-out sheet should be used to indicate where it will be and when it will be returned.

MEDIA CENTERS: Requests for the use of media centers should be first approved by the librarian. Conditions for use will be determined by the individual librarian. Any requests for equipment should be approved by the librarian and an approved person will be assigned to supervise the use of equipment. Furniture and equipment must be left in proper order.

Any requests for summer use of the media centers by summer school or the recreation department must be approved by the media services coordinator at the Board of Education office.

CLASSROOMS: Use of classrooms must be approved by the teacher responsible for the room. Furniture must be left in order and materials in the room must not be disturbed.

In all of the above cases, after permission is granted by the teacher in charge of the room, permission must be granted by the building principal. Requests should then be directed to the Buildings and Grounds office, 260 Madison Street for final approval.
