

# Create a PowerSchool Parent Account

A PowerSchool **PARENT ACCOUNT** in PowerSchool allows you to view information for one or more students with a single sign in. You can also manage your personal account preferences.

The screenshot shows the PowerSchool website interface. At the top left is the PowerSchool logo. Below it is a 'Parent Sign In' section with two input fields: 'Username' and 'Password'. Below these fields is a link that says 'Having trouble signing in?'. To the right of the password field is a blue 'Sign In' button. Below the sign in section is a 'Create an Account' section. A large blue arrow points from the left towards the 'Create an Account' section. The text in this section reads: 'Create a parent account that allows you to view all of your students with one account. You can also manage your account preferences. Learn more.' At the bottom right of this section is a blue 'Create Account' button.

**To create a PARENT ACCOUNT, enter the following information:**

- **Name** – Your first and last name
- **Email** – Student notifications and correspondence related to your parent account will be sent to this email
- **Desired Username** – Your username is your unique PowerSchool identity
- **Password** – Your password must be at least 6 characters long
- **Student Access Information** – Information for a minimum of one student including: Student Name, Access ID, Access Password, and your relationship to the student
