While reading with your family here are some great questions to ask each other:

* What has happened so far in the story?
* What do you predict will happen next?
* How do you think the story will end?
* Why do you think the character did ________?
* What would you have done if you were the character?
* How would you have felt if you were the character?
* When you read, what pictures did you see in your head?
* What are you wondering about as you read?
* What questions do you have?
* Think about the predictions you made before reading; do you still think the story will go that way? Why or why not? How do you think it will go now?

Be sure to check the Hatch One Book One School Website for discussion questions per reading, photos and more!
