

2019 LINCOLN ELEMENTARY

SUMMER MATH ATTACK!

Research suggests that children lose two to three months of learning over the summer – fight back! Join us for monthly Family Math Game Nights or study along at home.

FAMILY GAME NIGHTS!

June 19, July 24, August 22, Maze Library, 6:00 - 8:00 p.m.
Games, fun, silly prizes!

The 2019 PTO Summer Math Program is simple! Basically, do what works for your family and your child; workbooks or worksheets, online resources, math games? It is all good!

- Download some math worksheets at <http://lincolnsummermath.blogspot.com/>
- Do some math! Log the time.
- Return the log to school in the Fall
