

EDGE is back - registration opens at 10 am on Wednesday, September 18!

EDGE offers onsite enrichment opportunities with an emphasis on convenience and value for Holmes families! Most classes are well under \$20 per session, and all offer the opportunities to connect, learn, and have fun with fellow Holmes students. This season we have more classes than ever offered by some of the most beloved Holmes teachers who have joined EDGE for sports, arts, performance, and STEM classes. You won't find an easier way to offer after school enrichment for your student and spaces are limited, so mark your favorites and sign up on September 18th at holmespto.jumbula.com.

Classes run September 30 - November 22. (No classes 10/ 24-25, 10/31, 11/1)

Instructors	Class	Description	Day	Start Time	End Time	Grades	Cost
Megan Rigali & Tim McDonald	x-treme Sports	Extreme Sports is an EXTREMELY fun edge class! We take the best of a variety of different sports and mash them together into more elaborate fun games! Each week we learn a new game that students of all ages can play and enjoy! Extreme Sports offers the opportunity for the Holmes School general education and special education population to interact, work together and have a ton of fun! How could we possibly combine Hockey and Soccer or Football and Basketball into the same game you might ask? Well come check out Extreme Sports!	Monday	3:05	4:05	K-4	\$110
Faith Harris	Cheerleading	Students will learn a routine with dance, jumps, and stunts. After the class ends, all of the students perform at an assembly to showcase what they learned.	Monday	3:05	4:05	K-5	\$110
Marianne Rehfield	Irish Dancing Club	Do you love to run, jump, skip, or generally be super active? Then this Irish dancing class is for you. Our class is for new beginners who want to learn this creative art form and have fun at an afterschool program. Please join us to begin your journey of learning the art and craft of Irish dancing, while making friends that will last throughout your career in the Oak Park 97 schools.	Monday	3:05	3:35	K-5	\$90
Afterschool Enrichment	Chess Scholars	Develop your child's intellect through the royal game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance children's motivation, concentration, focus, social skills, and creativity. No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both beginner and experienced players are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes at the end of the session!	Monday	3:05	4:05	K-5	\$130
Afterschool Enrichment	Smart Start Art	"Every child is an artist" - Pablo Picasso. Explore your artistic side with Smart Start Art from Afterschool Enrichment Solutions. Strap on your backpack as we take a virtual trip around the world and encounter international art! Discover your creativity and imagination as an artist, developing fine motor skills, style, and vision as we explore different artistic techniques through a variety of inspiring projects. Sketch and draw, shade and color, cut, glue, fold... create! See your imagination come to life! Learn about great artists from throughout history and the present day, through a weekly featured artist and fun, exciting games. Earn ArtBelts™ as you learn and progress. No experience necessary.	Monday	3:05	4:05	K-3	\$130
Lindsey Bennett	Coding: Storytelling	Students use computer science to tell fun and interactive stories. Storytelling emphasizes creativity by encouraging students to tell a unique story each day. Improve your child's all important STEM skills while supporting their imaginative side! Taught by Holmes PE Teacher Lindsey Bennett and designed specifically for older Holmes students, this is sure to be a popular class!	Tuesday	3:05	4:05	5-Mar	\$100

Mission Propelle	Girl Power Yoga	Mission Propelle empowers girls in elementary school to discover who they are, what they believe, and how to advocate for themselves. We accomplish this through an after-school program that combines yoga, reading, and mentoring. In each one-hour class, girls develop mindfulness, deep breathing techniques, and self-confidence as they practice yoga. They learn how to solve problems by reading original storybooks starring Dottie Tov, a relatable and age-aligned female protagonist. The girls discuss the content of the book and how it relates to their own life. Throughout class, girls learn to apply leadership skills in their everyday lives as they receive situation-based mentorship from trained instructors. All girls receive digital downloads of the original storybooks each month!	Tuesday	3:05	4:05	K-5	\$140
iCook After School	iCook After School	This fall, our chefs-in-training will learn how to make delicious and nutritious recipes including Vegetarian Enchilada Casserole, Three Sisters Salad, Pear Parfaits, Rainbow Vegetable Pinwheels, Baked Sweet Potato fries, No-Bake Pumpkin Chocolate Chip Cake, to name but a few! We will travel across the globe to learn about the cuisine and traditions of Mexico, Russia, and several Native American cultures. We will learn about fresh herbs and how they enhance the aroma and flavors of our dishes and practice. Our little chefs will learn the foundations of kitchen and knife safety, and practice a variety of techniques such as mixing, measuring, chopping, dicing, whipping, brushing, decorating, and more!	Tuesday	3:05	4:05	K-5	\$160
3Point Athletics	Sports & Games	This multi-sport program will feature a variety of sports & classic playground games in an all inclusive environment. Join us for basketball, kick ball, capture the flag, soccer, and many more of your favorite games. 3Point's commitment to the well-being of each participant ensures that everyone will have a PRODUCTIVE, POSITIVE & FUN enrichment experience!	Tuesday	3:05	4:05	K-3	\$110
Afterschool Enrichment	Let's Build It	Design and build your own robots! Explore the field of robotics through a series of exciting and dynamic lessons. Students will learn about mechanical engineering as they construct and use robots to complete tasks and engage in competitions. A variety of topics will be covered including gear ratios, electricity, rotation, friction, and force. This course gives students the opportunity to experience the captivating world of robotics in an inviting and fun environment. No previous experience is necessary; both new and returning participants are welcome! Each participant will receive an award on the last day of the session, and will have the opportunity to earn Energy Belts by demonstrating their learned skills.	Tuesday	3:05	4:05	5-Jan	\$145

Young Rembrandts	Young Rembrandts Drawing	Back-to-school is in full swing at Young Rembrandts, as we present drawing lessons that encompass a fascinating world of color, pattern, and design. Students will strengthen their marker rendering skills as they draw a detailed gumball machine. A drawing of a sandwich will make them hunger for more art. We'll travel back in time to the age of the pharaohs as we illustrate a decorative, Egyptian headdress. An illustration celebrating the fall season will introduce our colorists to warm and cool colors. All this and more await your child in a Young Rembrandts classroom! Sign up today!	Wednesday	2:35	3:35	K-5	\$110
Mary Anne Mohanraj	Fantastic Game Design	The universe is yours....to create! In this class, you'll create your own fantastical worlds, characters, and magical creatures. Then we'll use those to make stories and games, using RPGs (role-playing games, like Dungeons & Dragons), storytelling and sketching, and deck-builder card games (like Magic the Gathering and Pokemon). Students will have fun playing games and playing in each others' worlds, and will learn techniques used by professional game designers and modern narrative storytellers (for mobile games like Reigns: Her Majesty).	Wednesday	3:05	4:05	5-Apr	\$25
3Point Athletics	After School Basketball	Come out and play as we have fun learning the fundamentals of the game with unique drills, games, & contests that will keep you active after school. 3Point Athletics' team of engaging and knowledgeable instructors will blend the perfect amount of skill instruction with organized games & fun activities to create a class that is productive, positive, & fun!	Wednesday	2:35	3:35	2-5	\$110
Pro Musica Youth Chorus	Melody Makers	Melody Makers is a beginning class in choral music and includes games and activities designed to introduce musical dynamics, rhythm and notation. Participants learn to find and be confident in their singing voice. Singers have a blast making music together and singing with their friends!	Wednesday	2:35	3:35	K-2	\$150

Wednesday	3:05	4:05	5-Apr	\$25
Lindsey Bennett	Yoga	Each class will start with a mindfulness meditation and students teaching each other new yoga poses. Every week we will follow a different Cosmic Kids story as we learn new poses along the way. We will end with learning a new breathing technique and reflecting.	Thursday	3:05	4:05	K-2	\$90
Flying V Martial Arts	Taekwondo	Our Taekwondo classes offers a total fitness program integrating mind, body and spirit. The program focuses on improving not only basic motor skills, but developing students' confidence, self-esteem, discipline, respect and focus. Furthermore, our program consists of a balanced cardiovascular workout, including punching, kicking, and blocking skills while using self-control and the Taekwondo tradition. Participants will improve coordination, power of concentration, balance, and both physical and mental discipline. The program will encourage students' sense of commitment and persistence in the face of challenges while helping them enter society with a more confident and enthusiastic outlook.	Thursday	3:05	4:05	K-5	\$85
Legacy Sports Camp	Floor Hockey/Kickball	This camp features high action floor hockey games every week! We randomly draw new teams daily for a 60 minute scrimmage. Kickball: It's time to kick for the fences in the Legacy Kickball league. New teams will be drawn each week for an exciting game of kickball. Statistics are kept for all players in home runs, kicking average, doubles, etc. and the league leaders will win a prize at the end of the session! Each day will also feature a home run derby.	Thursday	3:05	4:05	5-Mar	\$95

Instructors	Class	Description	Day	Start Time	End Time	Grades	Cost
Afterschool Enrichment	Guitar Stars	"Music can change the world." - Bono. Learn the fundamentals of guitar while playing games, making music and having fun in this newly designed class! We'll cover the basics, from how to hold the guitar and pick to proper fret-hand finger positioning. More advanced or returning students will delve into sight reading, playing by ear and rocking out as a class! Each child will have the opportunity to earn Guitar Belts as they progress.	Thursday	3:05	4:05	5-Jan	\$125
David Williams	Games Galore	The students will participate in a variety of game activities (Dodgeball, Floor Hockey, Soccer, Basketball, The Pin Games, Capture the Flag, Super Pac Man, etc) that will take having fun to another level. The games are geared to help bridge the gap between the lower and upper grade levels. The course will teach through game play that having some skills, knowledge and understanding of games and/or sports activities can eliminate grade level, age, and gender biases. Through game play the students can experience positive physical, mental, social and emotional growth.	Friday	3:05	4:05	5-Feb	\$110
Dynamic Chess	Chess	This chess class is intended for All grades K-5. The class will be divided into groups decided by ability and skill levels. Players in the Dynamic Chess class will learn the fundamental skills of all aspects of the game, as well as learning how to become a tournament ready player!	Friday	3:05	4:05	K-5	\$95
