Re: Notice of Parking Accommodations – Blanket Parking Pass, For Area Specified,
on October 2nd & 9th, 2019

Notice of Parking Accommodations:

Please be advised: A blanket parking pass has been granted for the area outlined below. This applies to street parking where signage limits parking to 2-4 hours or where parking during specific hours of the day are prohibited.

Gwendolyn Brooks Middle School – 325 S. Kenilworth Ave (within 3-blocks radius)
D200 Freshman Curriculum Meeting - Wednesday, October 2nd, 6:00pm-9:30pm

Percy Julian Middle School – 416 S. Ridgeland (within 3-blocks radius)
D200 Freshman Curriculum Meeting - Wednesday, October 9th, 6:00pm-9:30pm

The blanket parking pass will not apply to posted restrictions related to metered, permitted, or private parking or to regulations related to safety. These include, but are not limited to, permit-only parking, parking meters, snow removal, fire hydrants, corner clearance, private property, etc., all of which will continue to be enforced.

The attached maps indicate permit-only parking areas that are specifically prohibited. Parkers are responsible for not parking in any other prohibited areas, as described above that may not be shown on this map.
