Parent Poll - How familiar are you with Zoom?

What is Zoom?

Video Meeting

Video Conferencing via student device:

- Grades K-5: iPad
- Grades 6-8: Chromebook

Synchronous

Platform chosen for synchronous learning; currently has more advanced tools than other educational platforms.

Multi-purpose

Primary tool for whole group meetings, lessons, presentations, small group lessons, office hours, etc.

D97 Zoom Safety Guidelines

YES

- Zoom waiting rooms or passcode
- Private links through email
- Only teachers can admit students into Zoom meetings

NO

- No public links to meetings
- No recordings, photos, or screenshots of meetings unless directed by the teacher for content purposes

Getting Ready for a Zoom Meeting

Before logging
into a class
meeting:

1

Get ready
for school

2

Set up a
physical
space

3

Have
materials
organized

Getting Ready for a Zoom Meeting

Student self-care:

- Practice personal hygiene
- Eat before the meeting
- Dress for school
- Sit up comfortably

Work Space:

- Common area, quiet and/or headphones
- Limited distractions
- Organized home desk with storage and supplies ready

Materials:

- Charge your iPad/Chromebook
- Have a bin or container with pen/pencils, notebooks, folders, stylus, headphones
- Know how to find your Zoom login

Zoom Poll

What grade does your child attend?

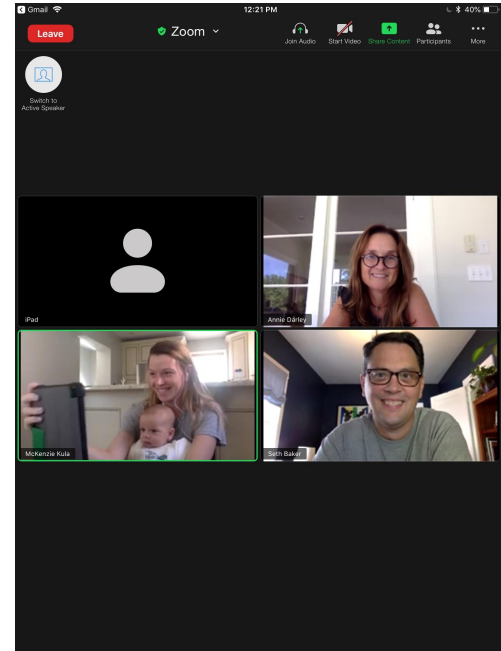

Teachers in D97 know that there is a continuum of ability to use Zoom for virtual meetings and will work with students to help with their success.

ZOOLS = Zoom + Tools

Engagement Tools

- Chat feature
- Reactions
- Annotation tools
- Breakout rooms
- Polling feature
- Utilizing new features as they become available
 - Remote Control

ZOOLS = Zoom + Tools: Teachers

Teacher Controls

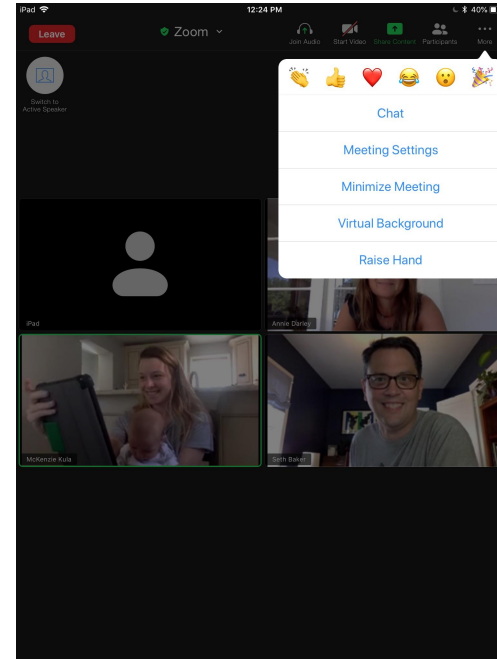

- Admitting students to meetings
- Mute / unmute all, turn video on/off
- Screen sharing
 - Websites
 - Whiteboards
 - Desktop cameras
- Create breakout rooms, polls, invitations to annotate

ZOOLS = Zoom + Tools: Students

Student Settings:

- Naming / renaming
- Mute / unmute & video on / off
- Gallery view vs. speaker view
- Reactions
- Chatting when requested
- Annotating
- Answering polls
- Joining breakout rooms
- Screenshare when requested
- Virtual background

Using the Annotating Tool

Which picture is most like the best day of your summer?

To annotate from a *laptop*, click 'view options' at the top, 'annotate', and 'stamp'. Choose one and click the picture to match

To annotate from a *phone or ipad*, click the pencil in the bottom corner, choose and arrow, and click the picture to match.

Tips During Zoom Meetings

- Be on time
- Seated upright in appropriate learning spot
- Mute on unless speaking to the group
- Video on during synchronous lessons as much as possible
- Select one virtual background and keep it
- Raise your hand (with reaction feature or physically)
- Use reactions for nonverbal communication
- Utilize the chat to share ideas and communicate directly with teacher
- Rename only as directed

Closing & Tech Support

Where can I go for additional tech support:

helpdesk@op97.org

Try a Zoom at home with your child's device. Have fun!
