5.2 DISCUSSION AND ACTION  
5.2.1 Approve or Rescind Student Suspension (10/26/2021)  
Spurlock moved, seconded by Ross Dribin that, based upon and after the Board's consideration of the hearing officer’s report and summary of evidence and testimony presented at the suspension review hearing held on October 1, 2021, the Board of Education finds that Student No. 20212610 has committed an act of gross misconduct as charged by the District's Administration in that Student No. 20212610 engaged in violations of Board Policy 7:190 Student Discipline and the behavioral expectations set forth in the District’s Effective Student Behavior Handbook.

Based upon such gross misconduct, the student’s continuing presence in school posed a threat to school safety and/or disrupted the learning opportunities of others. I move that the Board of Education uphold the suspension of Student No. 20212610 from Oak Park Elementary School District No. 97. The duration of Student No. 20212610’s suspension is appropriate based upon the evidence presented at the suspension review hearing.

The Interim Senior Directors of Human Resources are asking the Board to Review and Approve this updated Calendar based on your recommendations from the November 16, 2021 Board meeting. 5.2.3 Approval of the Tax Levy
(Available Online)

On December 14, 2021, the Board will be asked to approve the final tax levy for the 2021 levy year. Per the discussion at the November 16, 2021 board meeting and the recommendation of FORC, administration has prepared a tax levy for final consideration by the Board of Education as well as a brief presentation to explain the recommendation. The presentation will be made during the public hearing to be held at the beginning of the board meeting.

The total tax levy for consideration equals $84,605,000, with the allocation of the levy by fund contained within the presentation and the tax levy certificate. This represents an increase of 1.4% versus the prior years’ tax extension, which is the maximum growth allowed under the property tax extension limitation laws (PTELL). This figure does not factor in changes in the District’s bond and interest tax levy, which is not part of the levy that will be adopted by the Board in December. That levy will remain flat versus the prior year as noted in the presentation.

The tax levy will be recommended with consideration of maintaining long-term fiscal and academic stability with the ability to address future capital projects within the District’s fund balance policy of maintaining 3-6 months’ worth of operating expenditure reserves.

Spurlock moved, seconded by Hurd Johnson that the Board of Education of Oak Park District 97 approve the attached Certificate of Tax Levy and associated resolutions providing for adoption of the 2021 tax levy.

Ayes: Kim, Kearney, Ross Dribin, Hurd Johnson, Kinhal, Spurlock, Moore

(Available Online)

District 97 provides a variety of summer programming that reflects our district’s vision to create a positive learning environment for all students that is equitable, inclusive, and focused on the whole child. Our summer programming also contributes to helping all of our students experience or achieve the following goals:

PART ONE: 2021 Summer Program Summary
The summer programming offered in 2021 included seven programs:
The Whittier PTO would like to donate the money to purchase and install five Ironwood trees to plant along the edge of the field and blacktop to reduce the heat index and provide much needed shade for Whittier student’s and the community. B&G and the Park District reviewed the placement of the trees as to not interfere with any of the sports activities that utilize the Whittier field. The donation is an estimated value of $2,400.00.

Administration will be seeking a motion that the Board of Education of Oak Park District 97 accepts the donation in the amount not to exceed $2,400.00 at its January 11th, 2022 meeting.

6.3 Food Service and Student Registration Fees (action 01/11/2022)
On an annual basis, the administration reviews and determines whether lunch and/or registration fees should be increased. The fees are based upon many factors including, year of last increase (it has been many years), any District registration expense increase, cost of food, any ISBE mandates regarding food prices, and comparable fees at surrounding school districts.

The 2021-2022 (current) registration fee schedule is as follows:
- Early Childhood Program -The $29.00 Student Fee for the covers Instructional Materials.
- Grades K-2 - The $160 Student Fee includes: $77.00 for Instructional Materials; $83.00 for Before/After School & Lunch Supervision.
- Grades 3-5 - The $180 Student Fee includes: $77.00 for Instructional Materials; $83.00 for Before/After School & Lunch Supervision; and $20.00 for Technology.
- Middle School - The $225 Student Fee includes: $20.00 Activity Fee; $78.00 for Instructional Materials; $107.00 for Before/After School & Lunch Supervision; and $20.00 for Technology.

Registration Fee Recommendation
The recommended 2022-2023 registration fee schedule is as follows:
- Early Childhood Program -The $29.00 Student Fee for the covers Instructional Materials.
- Grades K-2 - The $180 Student Fee includes: $77.00 for Instructional Materials; $83.00 for Before/After School & Lunch Supervision; and $20.00 for Technology.
- Grades 3-5 - The $180 Student Fee includes: $77.00 for Instructional Materials; $83.00 for Before/After School & Lunch Supervision; and $20.00 for Technology.
- Middle School - The $225 Student Fee includes: $20.00 Activity Fee; $78.00 for Instructional Materials;
$107.00 for Before/After School & Lunch Supervision; and $20.00 for Technology.

The only recommended change for the 2022-2023 school year noted above is the additional $20.00 Technology fee for Grades K-2, bringing that total to $180. K-2 grade levels recently started receiving devices so it is recommended to add the fee to cover District costs and to ensure an equitable fee structure among the grade levels.

District 97 has been providing free meals to all students during 2021-2022 as part of the National School Lunch Program requirements. The historical food service fee schedule has been as follows:

- Elementary - The food program pricing is as follows: Breakfast $1.75; Lunch $2.80; and Milk $.45 per carton. One carton of milk is included with each breakfast and lunch.
- Middle School - The food program pricing is as follows: Breakfast $1.75; Lunch $3.00; and Milk $.45 per carton. One carton of milk is included with each breakfast and lunch.
- Adult- $3.25

Food Service Fee Recommendation
It is recommended that the 2022-2023 prices for paid and reduced meals remain unchanged, as the District’s costs for the meals have remained flat.
