What is SEPAC?

SEPAC stands for **S**pecial **E**ducation **P**arent **A**dvisory **C**ommittee. D97 Parents are invited to join us throughout the year to inform the practices of our Student Services so that each students' needs are considered in our district-wide community practices.

Why should I attend?

Student Services' practices are guided by a Universal Design for Learning framework aimed at creating flexible learning environments to accommodate diverse learners. However, the best way to ensure we're reaching every single student is by hearing directly from their families. *We want to learn from you.*

This year, SEPAC's discussions will center around Social Connections and Barriers and we want your input to form a better understanding of what is currently happening in the district and how we can better support learners, families, teachers, and staff in authentically connecting with your child.

Please RSVP by October 12 to help us get a headcount for pizza and childcare.
