

BLAST OFF TO KINDERGARTEN!

**Sunday, May 17, 2026 | 10:00 a.m. – 12:00 p.m. | Rehm Park
1000 S Scoville Ave.**

All children who will be starting school this fall and their families are invited to celebrate the journey into a new galaxy that is not so very far away: *kindergarten!*

Blast Off to Kindergarten is meant to celebrate our little ones, but it will also help parents and caregivers connect to all of the resources that will help jump-start a smooth transition to kindergarten for everyone involved.

Featuring

If you are planning to attend, please register to ensure that you receive event updates at: collab4kids.org/blast-off-to-k

- Portal to Kindergarten** - Travel through our giant portal to your next galaxy - kindergarten!
- Kindergarten Galaxy** - Find your school and talk to PTOs, staff, administrators, and connect with caregiver groups.
- Solar System of Support** - Learn more about before/after school options, health requirements and resources, and enrichment activities.
- Entertainment Eclipse** - Enjoy fun giveaways and activities brought to you by our partners
- The Collaboration Space Station:** Bring your Explorer Card to the Station to collect your Blast Off to Kindergarten souvenir!
- Early Learning Galaxy and the Intergalactic Mailbox:** Write a note to your current teacher and celebrate how far you've come.

Kindergarten Readiness is Key!
