This handbook is designed to answer questions about the requirements, expectations, processes, and services available to students enrolled in the CCN program.

We look forward to working with you and your students in furthering their opportunities through our continued partnership during this new the academic year.

Blessings,

Lisa Stoothoff, Dean of the College

Courses Available at the High School Setting

Donnelly College offers students who are in their junior or senior years in high school the opportunity to begin their college experience before actually being admitted to a college. Students participating in the College Credit Now (CCN) program must have written approval from their high school principal or advisor and have appropriate placement scores. Donnelly College follows the Kansas Board of Regents (KBOR) standards for dual credit enrollment.

A high school student who has attained sophomore standing (successfully completed freshman year) may enroll in college courses with permission from his or her high school principal. Counselor may send such permission to the Registrar's office at registrar@donnelly.edu. A student who has been designated as "gifted" and below Sophomore status may enroll only upon submission of a completed and current (dates must cover period of enrollment) Individualized Education Plan (IEP) and that IEP must include a list of the college courses that are recommended as part of his or her plan. The IEP must be submitted to the Registrar's office at the time of enrollment.

The following courses make up the Donnelly Core, our standard curriculum which emphasizes written and oral communications, mathematics, information technology, philosophy and theology, and serve as courses that integrate and bridge the other disciplines that students will study:

EN 111 Composition I

EN 112 Composition II

EN 140 Public Speaking

PH 210 Introduction to Philosophy

IT 111 Microcomputer Essentials

MT 130 College Algebra or any Math course with MT 130 College Algebra as a prerequisite

FERPA

The Family Education Rights and Privacy Act (FERPA) give students certain rights with respect to their education records.

These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the college receives a request for access.
2. Students should submit to the registrar, appropriate dean, or other appropriate official, written requests that identify the record(s) they wish to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed. Grievance Policy and Procedures

A grievance procedure has been established to provide for fairness in treatment for each student. Any student of Donnelly College alleging discriminatory treatment in regard to, but not limited to, race, sex, color, religion, national origin or disability, should first try to resolve it informally by bringing the matter to the attention of the party involved.

If the matter is not resolved by this means, the grievant may initiate a grievance procedure by presenting a written statement of the grievance to the Dean of the College within fifteen (15) days of the alleged offense. All grievances must contain the following information:

- A clear and concise written statement of the grievance which includes name of the person(s) against whom the grievance is made, the date and time of the alleged act, and a statement describing the specific supporting evidence.
- A brief summary of prior attempts to resolve the matter which includes the names of persons with whom the matter was discussed and the results of previous discussions.
- A specific statement of the remedial action or relief sought.

Upon receipt of the grievance, the Dean of the College will present a copy of the grievance to the other party, who will respond in writing to the allegations of the grievant within five (5) working days. The Dean of the College will arrange to meet with the two parties in an attempt to resolve the difficulty.

If the grievance cannot be resolved after this discussion, the Dean of the College, in consultation with the President, will convene a Grievance Committee composed of three persons: one member chosen by the grievant; one member chosen by the responding person and a third member to be chosen by the President and mutually agreed upon by the other two members of the Grievance Committee.

If the grievance cannot be resolved after this discussion, the supervisor(s), in consultation with the President, will convene a Grievance Committee composed of three persons: One member chosen by the grievant, one member chosen by the responding person, and a third member to be chosen by the President and mutually agreed upon by the other two members of the Grievance Committee.

The Committee so designated will meet not more than five (5) working days after its selection. At the first organizational meeting, the Grievance Committee will elect a chairperson from among its members and set up rules of procedure for the hearing within these guidelines:

- The Grievance Committee will invite the grievant and the responding person to all hearings. Failure of either party to appear at the hearings will constitute a decision in favor of the other party.
- Attendance at the hearing will be limited to persons having an official connection with the case. The grievant and/or responding person may choose to be accompanied by an advisor. The name of the advisor should be made known to the chairperson at least 48 hours before the hearings begin. Witnesses or any others whose participation is necessary to establish facts shall appear before the committee only to give testimony and to answer questions.
- A reasonable time limit should be established for presentation of the grievance and for the response as well as the length of each hearing session. Every effort should be made to conduct the hearing as expeditiously as possible with fairness to both parties.
- Members of the Grievance Committee will not discuss the case with anyone outside the hearing process.
- All testimony pertaining to the grievance will be held in confidence.
- Only evidence relevant to the stated grievance may be introduced. Admissibility of evidence shall be decided by the Chairperson.
- A tape recording may be made of the hearing for purposes of review. All such tapes will be sealed or destroyed after the written report is given and the case is concluded.

At the conclusion of the grievance hearing, the members of the Grievance Committee shall meet in closed session to deliberate.

Any decision of the Committee will require concurrence of two out of three members. Within five (5) working days after the last meeting, the Grievance Committee shall make a written

report on findings and recommendations to the appropriate administrative officers (immediate supervisor and/or the President) together with copies for the grievant and the respondent. The written report will contain:

- A statement of the purpose of the hearing.
- The issues considered.
- A summary of the evidence presented and findings of the facts as developed at the hearings.
- Recommendations for final disposition of the case.

The President will meet with the grievant and the respondent to inform them of the decision and/or action recommended by the Grievance Committee. At any point in the proceedings prior to the time the Committee reaches its final decision, the grievant may withdraw any portion or the entire grievance with the consent of the majority of the committee members and of the respondent. These proceedings may also be terminated at any time by mutual agreement of the parties involved with the consent of the Grievance Committee. In all cases of withdrawal or termination, the grievant shall not have the privilege of reopening the same grievance at any time in the future.

Either the grievant or the respondent has the right to appeal the decision of the Grievance Committee to the Board of Trustees. Such an appeal will be made through the President and must be made within fifteen (15) working days. The decision of the Board will be final.
