BLUE CROSS AND BLUE SHIELD

This Vision Care Benefit Program plan is administered by Blue Cross and Blue Shield of Illinois. Blue Cross and Blue Shield has contracted with EyeMed Vision Care, LLC, also referred to as the “vision care plan administrator.” EyeMed provides customer service, and Claims administration services and for Members enrolled in the *Vision Care Benefit Program*. The relationship between Blue Cross and Blue Shield and EyeMed is that of independent contractors. Through our arrangement with EyeMed, you will have access to EyeMed’s extensive network of vision care Providers.

Like most people, you probably have many questions about your coverage. The Certificate contains information about the services and supplies for which Benefits will be provided under your vision plan. Please read your entire Certificate very carefully. We hope that most of the questions you have about your coverage will be answered.

In this Certificate, we refer to our company, Blue Cross and Blue Shield and the vision care plan administrator, EyeMed as the “the Plan” and we refer to the company that you work for as the “Group”. The Definitions Section will explain the meaning of many of the terms used in this Certificate. All terms used in this Certificate, when defined in the Definitions Section, begin with a capital letter. Whenever the term “you” or “your” is used, we also mean all eligible family members who are covered under Family Coverage.

Blue Cross and Blue Shield EyeMed and/or your Group may change the Benefits described in this Certificate. If that happens, Blue Cross and Blue Shield EyeMed and/or your Group will notify you of those mutually agreed upon changes. If you have any questions once you have read this Benefit Booklet, talk to your Benefits administrator or call us at the number listed on the back of your Vision Identification Card. It is important to all of us that you understand the protection this coverage gives you.

Welcome to the *Vision Care Benefit Program*! We are very happy to have you as a Member and please let us provide you our best service,

Sincerely,

A handwritten signature in black ink, appearing to read "M. Smith". The signature is fluid and cursive, with a small dot above the "i" in "Smith".

NOTICE

Please note that the Plan has contracts with many health care Providers that provide for the Plan to receive, and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers.

Please refer to the provision entitled “The Plan’s Separate Financial Arrangements with Providers” in the GENERAL PROVISIONS section of this booklet for a further explanation of these arrangements.

WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy’s fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the policy. **YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED IN THE POLICY AFTER THE PLAN HAS PAID ITS REQUIRED PORTION.** Non-Participating Providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

You can get the application form from your Group Administrator. An application to add a newborn to Family Coverage is not necessary if an additional premium is not required. However, you must notify your Group Administrator within 31 days of the birth of a newborn child for coverage to continue beyond the 31 day period or you will have to wait until your Group’s open enrollment period to enroll the child.

The Application(s) for coverage may or may not be accepted. Please note, some Employers only offer coverage to their employees, not to their employees’ spouses, parties to a Civil Union, Domestic Partners or dependents. In those circumstances, the references in this Certificate to an employee’s family members are not applicable.

No eligibility rules or variations in premium will be imposed based on your health status, medical condition. Claims experience, receipt of health care, medical history, genetic information, evidence of insurability, disability or any other health status related factor. You will not be discriminated against for coverage under this Certificate on the basis of race, color, national origin, disability, age, sex, gender identity or sexual orientation. Variations in the administration, processes or benefits of this Certificate that are based on clinically indicated, reasonable medical management practices, or are part of permitted wellness incentives, disincentives and/or other programs do not constitute discrimination.

You may enroll in or change coverage for yourself and/or your eligible spouse and/or dependents during one of the following enrollment periods. Your and/or your eligible spouse and/or dependents’ effective date will be determined by the Plan depending upon the date your application is received and other determining factors.

The Plan may require acceptable proof (such as copies of legal adoption or legal guardianship papers, or court orders) that an individual qualifies as an Eligible Person under this Certificate.

NOTIFICATION OF ELIGIBILITY CHANGES

It is the Eligible Person's responsibility to notify the Plan of any changes to an Eligible Person's name or address or other changes to eligibility. Such changes may result in coverage/benefit changes for you and your eligible dependents.

INDIVIDUAL COVERAGE

If you have Individual Coverage, only your own health care expenses are covered, not health care expenses of other members of your family.

FAMILY COVERAGE

Under Family Coverage, your vision care expenses and those of your enrolled spouse, party to a Civil Union, Domestic Partner and your (and/or your spouse, party to a Civil Union, Domestic Partner) enrolled children who are under the limiting age specified below will be covered.

All of the provisions of this Certificate that pertain to a spouse also apply to a party of a Civil Union unless specifically noted otherwise. A Domestic Partner and his or her children who have not attained the limiting age below may also be eligible dependents, provided your Employer covers Domestic Partners. All of the provisions of this Certificate that pertain to a spouse also apply to a Domestic Partner unless specifically noted otherwise.

"Child(ren)" used hereafter in this Certificate, means a natural child(ren), a stepchild(ren), adopted child(ren), foster child(ren), a child(ren) of your Domestic Partner, a child(ren) who is in your custody under an interim court order prior to finalization of adoption or placement of adoption vesting temporary care, whichever comes first, a child(ren) of your child(ren), grandchild(ren), child(ren) for whom you are the legal guardian under 26 years of age, regardless of presence or absence of a child's financial dependency, residency, student status, employment status, marital status, eligibility for other coverage or any

combination of those factors. In addition, enrolled unmarried children will be covered up to the age of 30 if they:

- Live within the state of Illinois
- Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
- Have received a release or discharge other than a dishonorable discharge.

Coverage for enrolled college students will continue to be provided for up to 12 months if he/she takes a medical leave of absence or reduces his/her course load to part-time status because of a serious illness or injury. Such continuation of coverage because of a serious illness or injury will terminate 12 months after notice of the illness or injury.

Coverage for children will end on the last day of the calendar month in which the limiting age birthday falls.

If you have Family Coverage, newborn children will be covered from the moment of birth. Please notify the Plan within days of the birth so that your membership records can be adjusted. Your Group Administrator can tell you how to submit the proper notice through the Plan.

Children who are under your legal guardianship or who are in your custody under an interim court order prior to finalization of adoption or placement of adoption vesting temporary care, whichever comes first, and foster children will be covered. In addition, if you have children for whom you are required by court order to provide health care coverage, those children will be covered.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age will be covered regardless of age as long as they were covered prior to reaching the limiting age specified below.

This coverage does not include benefits for grandchildren (unless such children have been legally adopted or are under your legal guardianship).

Coverage under this Certificate is contingent upon timely receipt by the Plan of necessary information and initial premium.

MEDICARE ELIGIBLE COVERED PERSONS

A series of federal laws collectively referred to as the “Medicare Secondary Payer” (MSP) laws regulate the manner in which certain Employers may offer group health care coverage to Medicare eligible employees, spouses, and in some cases, dependent children. Reference to spouse under this section do not include a party to a Civil Union with the Eligible Person, or Domestic Partners of the Eligible Person or their children.

The statutory requirements and rules for MSP coverage vary depending on the basis for Medicare and Employer group health plan (“GHP”) coverage, as well

as certain other factors, including the size of the Employers sponsoring the GHP. In general, Medicare pays secondary to the following:

1. GHPs that cover individuals with end-stage renal disease (“ESRD”) during the first 30 months of Medicare eligibility or entitlement. This is the case regardless of the number of employees employed by the Employer or whether the individual has “current employment status.”
2. In the case of individuals age 65 or over, GHPs of Employers that employ 20 or more employees if that individual or the individual’s spouse (of any age) has “current employment status.” If the GHP is a multi-Employer or multiple Employer plan, which has at least one participating Employer that employs 20 or more employees, the MSP rules apply even with respect to Employers of fewer than 20 employees (unless the plan elects the small Employer exception under the statute).
3. In the case of disabled individuals under age 65, GHPs of Employers that employ 100 or more employees, if the individual or a member of the individual’s family has “current employee status.” If the GHP is a multi-Employer plan, which has at least one participating Employer that employs 100 or more employees, the MSP rules apply even with respect to Employers of fewer than 100 employees.

Please see your Employer or Group Administrator if you have any questions regarding the ESRD Primary Period or any other provisions of the MSP laws and their application to you, your spouse or your dependents.

Your MSP Responsibilities

In order to assist your Employer in complying with MSP laws, it is very important that you promptly and accurately complete any requests for information from the Plan and/or your Employer regarding the Medicare eligibility of you, your spouse and covered dependent children. In addition, if you, your spouse or covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed, please contact your Employer or your group administrator promptly to ensure that your claims are processed in accordance with applicable MSP laws.

YOUR IDENTIFICATION CARD

You will receive an identification (ID) card from the Plan. Your ID card contains your identification number, the name of the Participating IPA/Participating Medical Group that you have selected and the phone number to call in an emergency. Before you go to a Participating Vision Provider for an eye examination, eyeglasses, or contact lenses, please call ahead for an appointment. When you arrive, show the receptionist your identification card. If you forget to take your card, be sure to say that you are a member of the Blue Cross and Blue Shield vision care plan so that your eligibility can be verified. Please note that ID cards are not required to receive services – all EyeMed In-Network Providers can verify a member’s eligibility with a name and date of birth. Further, the ID cards can be used by anyone in the member’s family who is also covered by the Plan.

If you want additional cards or need to replace a lost or stolen card, contact customer service or go to www.eyemed.com web here and get a card online. Always carry your ID card with you.

LATE APPLICANTS

If you do not apply for Family Coverage or to add dependents within the allotted time, you will have to wait until your Group's annual open enrollment period to do so.

TERMINATION OF COVERAGE

If the Plan terminates your coverage under this Certificate for any reason, the Plan will provide you with a notice of termination of coverage that includes the termination effective date and the reason for termination at least 30 days prior to the last day of coverage, except as otherwise provided in this Certificate.

Your and your eligible spouse, party to a Civil Union, Domestic Partner and/or dependents' coverage will be terminated due to the following events and will end on the dates specified below:

- a. The termination date specified by you, if you provide reasonable notice.
- b. When the Plan does not receive the full amount of the premium payment or other charge or amount on time or when there is a bank draft failure of premiums for your and/or your eligible spouse, party to a Civil Union, Domestic Partner and/or dependents' coverage and the grace period, if any, has been exhausted.
- c. You no longer have medical health insurance coverage under the Blue Cross Blue Shield Plan.
- d. Your coverage has been rescinded.
- e. In the case of intentional fraud or material misrepresentation.
- f. If you no longer meet the previously stated description of an Eligible Person.
- g. If the entire coverage of your Group terminates.

Termination of the Group Policy automatically terminates your coverage under this Certificate. It is the responsibility of your Group to notify you of the termination of the Group Policy, but your coverage will automatically terminate as of the effective date of termination of the Group Policy regardless of whether such notice is given.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under this Certificate. However, termination of the Group Policy and/or your coverage under this Certificate shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Other options available for continuation of coverage are explained in the Continuation of Coverage After Terminations Sections of this Certificate.

Termination of a Dependent's Coverage

If one of your dependents no longer meets the description of an eligible family member as given above under the heading "Family Coverage," his/her coverage will end as of the date the event occurs which makes him/her ineligible (for example, date of divorce). Coverage for children will end on the last day of the calendar month in which they reach the limiting age as shown in this Certificate.

WHO IS NOT ELIGIBLE

- a. Non-citizens or non-nationals of the United States, or individuals who are non-citizens and not lawfully present in the United States, and are not reasonable expected to be a citizen, national, or a non-citizen, who is not lawfully present for the entire period for which open enrollment is sought. PLEASE NOTE THAT IN ORDER TO PROVIDE YOU WITH HEALTH CARE BENEFITS AT A REASONABLE COST, THE CERTIFICATE PROVIDES BENEFITS ONLY FOR THOSE COVERED SERVICES FOR ELIGIBLE HOSPITALIZATION, CARE, TREATMENT, SERVICES AND SUPPLIES THAT ARE MEDICALLY NECESSARY. No benefits will be provided for services which are not, in the reasonable judgment of the Plan, Medically Necessary. Medically Necessary means that a specific service provided to you is reasonably required, in the reasonable judgment of the Plan, for the treatment or management of a medical symptom or condition and that service provided is the most efficient and economical service which can safely be provided to you. When applied to Hospital Inpatient services, Medically Necessary means that your medical symptoms or condition require that the treatment be provided to you as an Inpatient and that treatment cannot be safely provided to you as an Outpatient. Further, Medically Necessary means that Inpatient Hospital care and treatment will not be covered when, in the reasonable judgment of the Plan, your medical symptoms and condition no longer necessitate your continued stay in a Hospital. The fact that a Physician or other health care Provider may prescribe, order, recommend or approve a service or supply does not of itself make such a service Medically Necessary.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the Eligible Person (as specified in the Group Policy) at the time of termination. The provisions described in Article B will apply if you are the spouse of a retired Eligible Person or the party to a Civil Union with a retired Eligible Person and are at least 55 years of age or the former spouse of an Eligible Person or the former party to a Civil Union with a retired Eligible Person who has died or from whom you have been divorced or from whom your Civil Union has been dissolved. The provisions described in Article C will apply if you are the dependent child of an Eligible Person who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided under Article B.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: Continuation of coverage if you are the Eligible Person

If an Eligible Person's coverage under this Certificate should terminate because of termination of employment or membership or because of a reduction in hours below the minimum required for eligibility, an Eligible Person will be entitled to continue the Hospital, Physician and Supplemental coverage provided under this Certificate for himself/herself and his/her eligible dependents (if he/she had Family Coverage on the date of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation of coverage will be available to you only if you have been continuously insured under the Group Policy (or for similar benefits under any group policy which it replaced) for at least 3 months prior to your termination date or reduction in hours below the minimum required for eligibility.
2. Continuation of coverage will not be available to you if: (a) you are covered by Medicare or (b) you have coverage under any other health care program which provides group hospital, surgical or medical coverage and under which you were not covered immediately prior to such termination or reduction in hours below the minimum required for eligibility, or (c) you decide to become a member of the Plan on a "direct pay" basis.
3. If you decide to become a member of the Plan on a "direct pay" basis, you may not, at a later date, elect the continuation of coverage option under this Certificate. Upon termination of the continuation of coverage period as explained in paragraph 6 below, you may exercise the Conversion Privilege explained in the ELIGIBILITY section of this Certificate

4. Within 10 days of your termination of employment or membership or reduction in hours below the minimum required for eligibility, your Group will provide you with written notice of this option to continue your coverage. If you decide to continue your coverage, you must notify your Group, in writing, no later than 30 days after your coverage has terminated or reduction in hours below the minimum required for eligibility or 30 days after the date you received notice from your Group of this option to continue coverage. However, in no event will you be entitled to your continuation of coverage option more than 60 days after your termination or reduction in hours below the minimum required for eligibility.
5. If you decide to continue your coverage under this Certificate, you must pay your Group on a monthly basis, in advance, the total charge required by the Plan for your continued coverage, including any portion of the charge previously paid by your Group. Payment of this charge must be made to the Plan (by your Group) on a monthly basis, in advance, for the entire period of your continuation of coverage under this Certificate.
6. Continuation of coverage under this Certificate will end on the date you become eligible for Medicare, become a member of Blue Cross and Blue Shield on a “direct pay” basis or become covered under another health care program (which you did not have on the date of your termination or reduction in hours below the minimum required for eligibility) which provides group hospital, surgical or medical coverage. However, your continuation of coverage under this Certificate will also end on the first to occur of the following:
 - a. Twelve months after the date the Eligible Person’s coverage under this Certificate would have otherwise ended because of termination of employment or membership or reduction in hours below the minimum required for eligibility.
 - b. If you fail to make timely payment of required charges, coverage will terminate at the end of the period for which your charges were paid.
 - c. The date on which the Group Policy is terminated. However, if this Certificate is replaced by similar coverage under another group policy, the Eligible Person will have the right to become covered under the new coverage for the amount of time remaining in the continuation of coverage period.

ARTICLE B: Continuation of Coverage if you are the former spouse of an Eligible Person or spouse of a retired Eligible Person

If the coverage of the spouse of an Eligible Person should terminate because of the death of the Eligible Person, a divorce from the Eligible Person, dissolution of a Civil Union from the Eligible Person, or the retirement of an Eligible Person, the former spouse or retired Eligible Person’s spouse if at least 55 years of age, will be entitled to continue the coverage provided under this Certificate for himself/herself and his/her eligible dependents (if Family Coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Eligible Person or spouse of a retired Eligible Person only if you provide the Employer of the Eligible Person with written notice of the dissolution of marriage or Civil Union, the death or retirement of the Eligible Person within 30 days of such event.
2. Within 15 days of receipt of such notice, the Employer of the Eligible Person will give written notice to the Plan of the dissolution of your marriage or Civil Union to the Eligible Person, the death of the Eligible Person or the retirement of the Eligible Person as well as notice of your address. Such notice will include the Group number and the Eligible Person's identification number under this Certificate. Within 30 days of receipt of such notice from the Employer of the Eligible Person, the Plan will advise you at your residence, by certified mail, return receipt requested, that your coverage and your covered dependents under this Certificate may be continued. The Plan's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. Notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.
 - c. Instructions for returning the election form within 30 days after the date it is received from the Plan.
3. In the event you fail to provide written notice to the Plan within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Eligible Person under this Certificate as a result of the dissolution of marriage or Civil Union, the death or the retirement of the Eligible Person. Your right to continuation of coverage will then be forfeited.
4. If the Plan fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of the Plan's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, with Individual or Family Coverage, as the case may be, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from the Plan as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginnings with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.

7. Termination of Continuation of Coverage:

If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

- a. If you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
- b. On the date coverage would otherwise terminate under this Certificate if you were still married to or in a Civil Union with the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death or entry of judgment dissolving the marriage or Civil Union existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.
- c. the date on which you remarry or enter another Civil Union.
- d. the date on which you become an insured employee under any other group health plan.
- e. the expiration of 2 years from the date your continued coverage under this Certificate began.

8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

- a. If you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
- b. On the date coverage would otherwise terminate, except due to the retirement of the Eligible Person under this Certificate if you were still married to or in a Civil Union with the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death, retirement or entry of judgment dissolving the marriage or Civil Union existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.
- c. The date on which you remarry or enter another Civil Union.
- d. The date on which you become an insured employee under any other group health plan.
- e. The date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.

9. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
10. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of the Plan on a “direct pay” basis as specified in the Conversion Privilege of the ELIGIBILITY section of this Certificate.
11. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE C: Continuation of Coverage if you are the dependent child of an Eligible Person

If the coverage of a dependent child should terminate because of the death of the Eligible Person and the dependent child is not eligible to continue coverage under ARTICLE B or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the dependent child of an Eligible Person only if you, or a responsible adult acting on your behalf as the dependent child, provide the Employer of the Eligible Person with written notice of the death of the Eligible Person within 30 days of the date the coverage terminates.
2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Eligible Person with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.
3. Within 15 days of receipt of such notice, the Employer of the Eligible Person will give written notice to the Plan of the death of the Eligible Person or of the dependent child reaching the limiting age, as well as notice of the dependent’s child address. Such notice will include the Group number and the Eligible Person’s identification number under this Certificate. Within 30 days of receipt of notice from the Employer of the Eligible Person, the Plan will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. The Plan’s notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.
 - c. instructions for returning the election form within 30 days after the date it is received from the Plan.

4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to the Plan within 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Eligible Person under this Certificate as a result of the death of the Eligible Person or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.
5. If the Plan fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of the Plan's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
6. The monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, plus
 - b. an amount, if any, that the Employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from the Plan as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:
 - a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Eligible Person.
 - c. the date on which you become an insured employee, after the date of election, under any other group health plan.
 - d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a "direct pay" basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA provision does not apply to your Domestic Partner and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lost your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lost your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;

- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent–employee dies;
- The parent–employee’s hours of employment are reduced;
- The parent–employee’s employment ends for any reason other than his or her gross misconduct;
- The parent–employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hour of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent's child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension of 18-Month Period of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation of coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension of 18-Month Period of Continuation of Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or

both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

The purpose of this provision of your Certificate is to explain the options available for temporarily continuing your coverage after termination if you are covered under this Certificate as the party to a Civil Union with an Eligible Person or as the dependent child of a party to a Civil Union with an Eligible Person. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

CONTINUATION OF COVERAGE

If you are a dependent who is party to a Civil Union or their child and you lose coverage under this Certificate, the options available to a spouse or a dependent child are described in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union Partnership with the Eligible Person terminates. Your Civil Union Partnership will terminate if your partnership no longer meets the criteria described in the definition of “Civil Union” in the DEFINITIONS section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONVERSION PRIVILEGE

CONTINUATION OF COVERAGE FOR DOMESTIC PARTNERS

Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are the Domestic Partner or the dependent child of a Domestic Partner and you lose coverage under this Certificate, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or to a dependent child as described in the **CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws)** provision of this Certificate are available to you, if applicable to your Group.

NOTE: Certain Employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA, or your continuation of coverage options.

In addition to the events listed in the **CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws)** provision[and **CONTINUATION COVERAGE RIGHTS UNDER COBRA**, if applicable], continuation of coverage is available to you and your dependent children in the event you lose coverage because your Domestic Partnership with the Eligible Person terminates. Your Domestic Partnership will terminate if your partnership no longer meets the criteria described in the definition of “Domestic Partnership” in the **DEFINITIONS** section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONVERSION PRIVILEGE

Upon termination of your continuation coverage, you may exercise the privilege to become a member of the Plan on a “direct pay” basis as specified in the Conversion Privilege of the **ELIGIBILITY** section of this Certificate.

HOW TO FILE A CLAIM

In order to obtain your benefits under this Certificate, it is necessary for a Claim to be filed with Blue Cross and Blue Shield. To file a Claim, usually all you will have to do is show your Blue Cross and Blue Shield ID card to your Hospital or Physician (or other Provider). They will file your Claim for you. Remember, however, it is your responsibility to insure that the necessary Claim information has been provided to Blue Cross and Blue Shield.

Once Blue Cross and Blue Shield receives your Claim, it will be processed. The benefit payment for eligible Claims will usually be sent directly to the Hospital or Physician. You will receive a statement telling you how much was paid. In some cases, Blue Cross and Blue Shield will send the payment directly to you (for example, when you have already paid your Physician) or executed a valid Assignment of Benefits, as described below.

In certain situations, you will have to file your own Claims. There may be situations when you have to file your own Claim. This is primarily true when you are receiving services or supplies from Providers other than a Hospital or Physician. An example would be when you have had ambulance expenses. To file your own Claim, follow these instructions:

- a. Complete a Claim Form. These are available from Blue Cross and Blue Shield at www.bcbsil.com. In addition, upon receipt of a notice of a claim, Blue Cross and Blue Shield will furnish to you the Claim Form(s) within 15 days. If Blue Cross and Blue Shield does not provide the Claim Form within such 15 days, you will be deemed to have complied with the Claim filing requirements of this Certificate for such Claim upon submitting, within the time period required by this Certificate, written proof of such Claim along with the details required by subsection (b) below.
- b. Attach copies of all bills to be considered for benefits. These bills must include the Provider's name and address, the patient's name, the diagnosis (including appropriate codes), the date of service and a description of the service (including appropriate codes) and the Claim Charge.
- c. Mail the completed Claim Form with attachments to:

CLAIM APPEAL PROCEDURES

Claim Appeal Procedures — Definitions

An “**Adverse Benefit Determination**” means a denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a benefit, including any such denial, reduction, termination, or failure to provide or make payment for, a benefit resulting from the application of utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be experimental or investigational or not Medically Necessary or appropriate. If an ongoing course of treatment had been approved by Blue Cross and Blue Shield and Blue Cross and Blue Shield reduces or terminates

such treatment (other than by amendment or termination of this Certificate) before the end of the approved treatment period, which is also an Adverse Benefit Determination. A Rescission of coverage is also an Adverse Benefit Determination. Please refer to the provision entitled “RESCISSION” in the COVERAGE AND PREMIUM INFORMATION section of this Certificate for additional information.

In addition, an Adverse Benefit Determination also includes an “Adverse Determination.” An “Adverse Determination” means:

1. A determination by Blue Cross and Blue Shield or its designee utilization review organization that, based upon the information provided, a request for a benefit under Blue Cross and Blue Shield’s health benefit plan upon application of any utilization review technique does not meet Blue Cross and Blue Shield’s requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness or is determined to be experimental or investigational and the requested benefit is therefore denied, reduced, or terminated or payment is not provided or made, in whole or in part, for the benefit;
2. The denial, reduction, or termination of or failure to provide or make payment, in whole or in part, for a benefit based on a determination by Blue Cross and Blue Shield or its designee utilization review organization that a preexisting condition was present before the effective date of coverage; or
3. A rescission of coverage. Please refer to the provision entitled “RESCISSION” in the COVERAGE AND PREMIUM INFORMATION section of this Certificate for additional information.

Expedited Clinical Appeals

If your situation meets the definition of an expedited clinical appeal, you may be entitled to an appeal on an expedited basis. An **expedited clinical appeal** is an appeal of a clinically urgent nature related to health care services, including but not limited to, procedures or treatments ordered by a health care provider, as well as continued hospitalization. Before authorization of benefits for an ongoing course of treatment is terminated or reduced, Blue Cross and Blue Shield will provide you with notice at least 24 hours before the previous benefits authorization ends and an opportunity to appeal. For the ongoing course of treatment, coverage will continue during the appeal process.

Upon receipt of an expedited pre-service or concurrent clinical appeal, Blue Cross and Blue Shield will notify the party filing the appeal, as soon as possible, but in no event more than 24 hours after submission of the appeal, of all the information needed to review the appeal. Blue Cross and Blue Shield will render a decision on the appeal within 24 hours after it receives the requested information, but in no event more than 48 hours after the appeal has been received by Blue Cross and Blue Shield.

How to Appeal an Adverse Benefit Determination

You have the right to seek and obtain a review of any determination of a claim, any determination of a request for preauthorization, or any other determination made by Blue Cross and Blue Shield in accordance with the benefits and procedures detailed in your Health Benefit Plan.

An appeal of an Adverse Benefit Determination may be filed by you or a person authorized to act on your behalf. In some circumstances, a health care provider may appeal on his/her own behalf. Under your Health Benefit Plan, there is one level of internal appeal available to you. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative. To obtain an Authorized Representative Form, you or your representative may call Blue Cross and Blue Shield at the number on the back of your ID card.

In urgent care situations, a doctor may act as your authorized representative without completing the form.

If you believe Blue Cross and Blue Shield incorrectly denied all or part of your benefits, you may have your Claim reviewed. Blue Cross and Blue Shield will review its decision in accordance with the following procedure:

- Within 180 days after you receive notice of an Adverse Benefit Determination, you may call or write to Blue Cross and Blue Shield to request a Claim review. Blue Cross and Blue Shield will need to know the reasons why you do not agree with the Adverse Benefit Determination.
- In support of your Claim review, you have the option of presenting evidence and testimony to Blue Cross and Blue Shield. You and your authorized representative may ask to review your file and any relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of an Adverse Benefit Determination or at any time during the Claim review process.

Such new or additional evidence or rationale will be provided to you or your authorized representative sufficiently in advance of the date a final decision on appeal is made in order to give you a reasonable opportunity to respond. Blue Cross and Blue Shield may extend the time period described in this Certificate for its final decision on appeal to provide you with a reasonable opportunity to respond to such new or additional evidence or rationale. If the initial benefit determination regarding the claim is based in whole or in part on a medical judgment, the appeal will be conducted by individuals associated with Blue Cross and Blue Shield and/or by external advisors, but who were not involved in making the initial denial of your Claim. No deference will be given to the initial Adverse Benefit Determination. Before you or your authorized representative may bring any action to recover benefits the claimant must exhaust the appeal process and must raise all issues with respect to a Claim and must file an appeal or appeals and the appeals must be finally decided by Blue Cross and Blue Shield.

Upon receipt of a non-urgent concurrent, pre-service or post-service appeal, Blue Cross and Blue Shield will notify the party filing the appeal within three business days of all the information needed to review the appeal.

Blue Cross and Blue Shield will render a decision of a non-urgent concurrent or pre-service appeal as soon as practical, but in no event more than 15 business days after receipt of all required information. We will send you a written decision for appeals that are related to health care services and not related to administrative matters or Complaints within 15 business days after we receive any needed information, but no later than 30 calendar days of receipt of the request. INDEPENDENT EXTERNAL REVIEW

You or your authorized representative may make a request for a standard external or expedited external review of an Adverse Determination or Final Adverse Determination by an independent review organization (IRO).

A “**Final Adverse Determination**” means an Adverse Determination involving a Covered Service that has been upheld by Blue Cross and Blue Shield or its designated utilization review organization, at the completion of Blue Cross and Blue Shield’s internal grievance process procedures.

a. Standard External Review

You or your authorized representative must submit a written request for a standard external independent review to the Illinois Department of Insurance (“IDOI”) within four months of receiving an Adverse Determination or Final Adverse Determination. Your request should be submitted to the IDOI at the following address:

Illinois Departments of Insurance
Office of Consumer Health
Insurance External Review Unit
320 W. Washington Street
Springfield, IL 62767
(877) 850-4740 Toll-free phone
(217) 557-8495 Fax number
Doi.externalreview@illinois.gov Email address
<https://mc.insurance.illinois.gov/messagecenter.nsf>

You may submit additional information or documentation to support your request for the health care services. Within one business day after the date of receipt of the request, the IDOI will send a copy of the request to Blue Cross and Blue Shield.

1. **Preliminary Review.** Within five business days of receipt of the request from the IDOI, Blue Cross and Blue Shield will complete a preliminary review of your request to determine whether:
 - You were a covered person at the time health care service was requested or provided;
 - The service that is the subject of the Adverse Determination or the Final Adverse Determination is a Covered Service under this Certificate, but Blue Cross and Blue Shield has determined that the health care service is not covered;
 - You have exhausted Blue Cross and Blue Shield’s internal appeal process, unless you are not required to exhaust Blue Cross and Blue Shield’s internal appeal process pursuant to the Illinois Health Carrier External Review Act; and
 - You have provided all the information and forms required to process an external review.

For appeals relating to a determination based on treatment being experimental or investigational, Blue Cross and Blue Shield will complete a preliminary review to determine whether the requested service or treatment that is the subject of the Adverse Determination or Final Adverse Determination is a Covered Service, except for Blue Cross and Blue Shield’s determination that the service or treatment is experimental or investigational for a particular medical condition and is not explicitly listed as an excluded benefit. In addition, your health care provider has certified that one of the following situations is applicable:

- Standard health care services or treatments have not been effective in improving your condition;
- Standard health care services or treatments are not medically appropriate for you;
- There is no available standard health care services or treatment covered by Blue Cross and Blue Shield that is more beneficial than the recommended or requested service or treatment; or

In addition, a) your health care provider has certified in writing that the health care service or treatment is likely to be more beneficial to you, in the opinion of your health care provider, than any available standard health care services or treatments, or b) your health care provider who is licensed, board certified or board eligible physician qualified to practice in the area of medicine appropriate to treat your condition has certified in writing that scientifically valid studies using accepted protocols demonstrate that the health care service or treatment requested is likely to be more beneficial to you than any available standard health care services or treatments.

2. **Notification.** Within one business day after completion of the preliminary review, Blue Cross and Blue Shield shall notify the IDOI, you and your authorized representative, if applicable, in writing whether the request is

complete and eligible for an external review. If the request is not complete or not eligible for an external review, the IDOI, you and your authorized representative shall be notified by Blue Cross and Blue Shield in writing of what materials are required to make the request complete or the reason for its ineligibility. Blue Cross and Blue Shield's determination that the external review request is ineligible for review may be appealed to the IDOI by filing a complaint with the IDOI. The IDOI may determine that a request is eligible for external review and require that it be referred for external review. In making such determination, The IDOI's decision shall be in accordance with the terms of your benefit program (unless such terms are inconsistent with applicable laws) and shall be subject to all applicable laws.

3. **Assignment of IRO.** When the IDOI receives notice that your request is eligible for external review following the preliminary review, the IDOI will, within one business day after the receipt of the notice, a) assign an IRO on a random basis from those IROs approved by the IDOI; and (b) notify Blue Cross and Blue Shield, you and your authorized representative, if applicable, of the request's eligibility and acceptance for external review and the name of the IRO.

Within five business days after the date of receipt of the notice provided by the IDOI of assignment of an IRO, Blue Cross and Blue Shield provide to the assigned IRO the documents and any information considered in making the Adverse Determination or Final Adverse Determination. In addition, you or your authorized representative may, within five business days following the date of receipt of the notice of assignment of an IRO, submit in writing to the assigned IRO additional information that the IRO shall consider when conducting the external review. The IRO is not required to, but may, accept and consider additional information submitted after five business days. If Blue Cross and Blue Shield or its designated utilization review organization does not provide the documents and information within five business days, the IRO may end the external review and make a decision to reverse the Adverse Determination or Final Adverse Determination. A failure by Blue Cross and Blue Shield or designated utilization review organization to provide the documents and information to the IRO within five business days shall not delay the conduct of the external review. Within one business day after making the decision to end the external review, the IRO shall notify Blue Cross and Blue Shield, you and, if applicable, your authorized representative, of its decision to reverse the determination.

If you or your authorized representative submitted additional information to the IRO, the IRO shall forward the additional information to Blue Cross and Blue Shield within one business day of receipt from you or your authorized representative. Upon receipt of such information, Blue Cross and Blue Shield may reconsider the Adverse Determination or Final Adverse Determination. Such reconsideration shall not delay the external review. Blue Cross and Blue Shield may end the external review and make a decision to reverse the Adverse Determination or Final Adverse Determination. Within one business day after making the decision to end the external review, Blue Cross and Blue Shield shall notify the IDOI, the IRO, you, and if applicable, your authorized representative of its decision to reverse the determination.

4. **IRO's Decision.** In addition to the documents and information provided by Blue Cross and Blue Shield and you, or if applicable, your authorized rep-

representative, the IRO shall also consider the following information if available and appropriate:

- Your pertinent medical records;
- Your health care provider's recommendation;
- Consulting reports from appropriate health care providers and other documents submitted to Blue Cross and Blue Shield or its designee utilization review organization, you, your authorized representative or your treating provider;
- The terms of coverage under the benefit program;
- The most appropriate practice guidelines, which shall include applicable evidence-based standards and may include any other practice guidelines developed by the federal government, national or professional medical societies, boards and associations;
- Any applicable clinical review criteria developed and used by Blue Cross and Blue Shield or its designated utilization review organization; and
- The opinion of the IRO's clinical reviewer or reviewers after consideration of the items described above.

Within one business day after the receipt of notice of assignment to conduct an external review with respect to a denial of coverage based on a determination that the health care service or treatment recommended or requested is experimental or investigational, the IRO will select one or more clinical reviewers, as it determines is appropriate, to conduct the external review, which clinical reviewers must meet the minimum qualifications set forth in the Illinois Health Carrier External review Act, and neither you, your authorized representative, if applicable, nor Blue Cross and Blue Shield will choose or control the choice of the physicians or other health care professional to be selected to conduct the external review. Each clinical reviewer will provide a written opinion to the IRO within 20 days after being selected by the IRO to conduct the external review on whether the recommended or requested health care service or treatment should be covered.

The IRO will make a decision within 20 days after the date it receives the opinion of each clinical reviewer, which will be determined by the recommendation of a majority of the clinical reviewers.

Within five days after the date of receipt of the necessary information, but in no event more than 45 days after the date of receipt of request for an external review, the IRO will render its decision to uphold or reverse the Adverse Determination or Final Adverse Determination and will notify the IDOI, Blue Cross and Blue Shield, you and your authorized representative, if applicable, of its decision.

With respect to experimental or investigational services or treatment, the IRO will make a decision within 20 days after the date it receives the opinion of each clinical reviewer, which will be determined by the recommendation of a majority of the clinical reviewers.

The written notice will include:

- a. A general description of the reason for the request for external review;
- b. The date the IRO received the assignment from the IDOI;

- c. The time period during which the external review was conducted;
- d. References to the evidence or documentation including the evidence-based standards, considered in reaching its decision or in the case of external reviews of experimental or investigational services or treatments, the written opinion of each clinical reviewers as to whether the recommended or requested health care service or treatment should be covered and the rationale for the reviewer's recommendation;
- e. The date of its decisions;
- f. The principal reason or reasons for its decision, including what applicable, if any, evidence-based standards that were a basis for its decision; and
- g. The rationale for its decision.

Upon receipt of a notice of a decision reversing the Adverse Determination or Final Adverse Determination, Blue Cross and Blue Shield shall immediately approve the coverage that was the subject of the determination. Coverage will only be provided for those services and/or supplies that were the subject of the Adverse Determination or Final Adverse Determination and not for additional services or supplies beyond the scope of the external review.

The IRO is not bound by any claim determination reached prior to the submission of information to the IRO. The IDOI, you, and your authorized representative, if applicable, and Blue Cross and Blue Shield will receive written notice from the IRO. If you disagree with the determination of the IRO, you may file a Complaint with the Illinois Department of Insurance's Office of Consumer Health Insurance.

a. Expedited External Review

If you have a medical condition where the timeframe for completion of (a) an expedited internal review of an appeal involving an Adverse Determination; (b) a Final Adverse Determination; or, (c) a standard external review as described above, would seriously jeopardize your life or health or your ability to regain maximum function, then you or your authorized representative may file a request for an expedited external review by an IRO not associated with Blue Cross and Blue Shield. In addition, if a Final Adverse Determination concerns an admission, availability of care, continued stay or health care service for which you received Emergency Services, but have not been discharged from a facility, then you or your authorized representative may request an expedited external review. You or your authorized representative may file the request immediately after a receipt of notice of a Final Adverse Determination or if Blue Cross and Blue Shield fails to provide a decision on a request for an expedited internal appeal within 48 hours.

You may also request an expedited external review if a Final Adverse Determination concerns a denial of coverage based on the determination that the treatment or service in question is considered experimental or investigational and your health care provider certifies in writing that the treatment or service would be significantly less effective if not started promptly.

Expedited external review will not be provided for retrospective adverse or final adverse determinations.

Your request for an expedited independent external review may be submitted to the IDOI either orally (by calling the phone number) or in writing as set forth above for requests for standard external review.

Notification. Upon receipt of a request for an expedited external review, the IDOI shall immediately send a copy of the request to Blue Cross and Blue Shield. Blue Cross and Blue Shield shall immediately notify the IDOI, you and your authorized representative, if applicable, whether the expedited request is complete and eligible for an expedited external review. Blue Cross and Blue Shield's determination that the external review request is ineligible for review may be appealed to the IDOI by filing a complaint with the IDOI. The IDOI may determine that a request is eligible for expedited external review and require that it be referred for an expedited external review. In making such determination, IDOI's decision shall be in accordance with the terms of the benefit program (unless such terms are inconsistent with applicable law) and shall be subject to all applicable laws.

Assignment of IRO. If your request is eligible for expedited external review, the IDOI shall immediately assign an IRO on a random basis from the list of IROs approved by the IDOI; and immediately notify Blue Cross and Blue Shield of the name of the IRO.

Upon receipt from the IDOI of the name of the IRO assigned to conduct the external review, Blue Cross and Blue Shield or its designated utilization review organization shall, immediately (but in no case more than 24 hours after receiving such notice) provide to the assigned IRO the documents and any information considered in making the Adverse Determination or Final Adverse Determination. In addition, you or your authorized representative may submit additional information in writing to the assigned IRO within 24 hours or additional information may accompany the request for an expedited independent external review. If Blue Cross and Blue Shield or its designated utilization review organization does not provide the documents and information within 24 hours, the IRO may end the external review and make a decision to reverse the Adverse Determination or Final Adverse Determination. Within one business day after making the decision to end the external review, the IRO shall notify the IDOI, Blue Cross and Blue Shield, you and, if applicable, your authorized representative, of its decision to reverse the determination.

As expeditiously as your medical condition or circumstances requires (but in no event more than 72 hours after the date of receipt of the request for an expedited external review), the assigned IRO will render a decision whether or not to uphold or reverse the Adverse Determination or Final Adverse Determination and will notify the IDOI, Blue Cross and Blue Shield, you and, if applicable, your authorized representative. If the initial notice regarding its determination was not in writing, within 48 hours after the date of providing such notice, the assigned IRO shall provide written confirmation of the decision to you, the IDOI, Blue Cross and Blue Shield and, if applicable, your authorized representative, including all the information outlined under the standard process above.

If the external review was a review of experimental or investigational treatments, each clinical reviewer shall provide an opinion orally or in writing to the assigned IRO as expeditiously as our medical condition or circumstances requires, but in no event less than five calendar days after being selected. Within 48 hours after the date it receives the opinion of each clinical reviewer, the IRO will make a decision and provide notice of the decision either orally or in writing to the IDOI, Blue Cross and Blue Shield, you and your authorized representative, if applicable.

If the IRO's initial notice regarding its determination was not in writing, within 48 hours after the date of providing such notice, the assigned IRO shall provide written confirmation of the decision to you, the IDOI, Blue Cross and Blue Shield, and if applicable, your authorized representative.

The assigned IRO is not bound by any decisions or conclusions reached during Blue Cross and Blue Shield's utilization review process or Blue Cross and Blue Shield's internal grievance appeal. Upon receipt of a notice of a decision reversing the Adverse Determination or Final Adverse Determination, Blue Cross and Blue Shield shall immediately approve the coverage that was the subject of the determination. Coverage will only be provided for those services and/or supplies that were the subject of the Adverse Determination or Final Adverse Determination and not for additional services or supplies beyond the scope of the external review. If you disagree with the determination of the IRO, you may file a Complaint with the Illinois Department of Insurance's Office of Consumer Health Insurance.

An external review decision is binding on Blue Cross and Blue Shield. An external review decision is binding on you, except to the extent you have other remedies available under applicable federal or state law. You and your authorized representative may not file a subsequent request for external review involving the same Adverse Determination or Final Adverse Determination for which you have already received an external review decision.
