LEMONT, IL — The members of the Lemont-Bromberek Combined School District 113A Board of Education released the following letter after the November 3 election results:

Dear Community Members:

On behalf of the Lemont-Bromberek Combined School District 113A Board of Education, we would like to thank our residents for their consideration of the solution presented to voters November 3.

We were pleased to have the chance to engage in open dialogue with community members about the opportunities and challenges that we face together. Although the referendum we presented was not approved last night, we thank everyone for their support of our schools.

In the spirit of openness and honesty, this dialogue must continue. As a board, we will continue fostering conversations with community members about the future of our local schools.

The needs of our school district will not go away. Therefore, we must press on in finding solutions for the good of our students and community. Due to the urgency of the situation, this work will begin immediately.

For now, we thank you again for participating in this process and for your consideration.

Best regards,

Members of the Lemont-Bromberek Combined School District 113A Board of Education
