### Board Member Development

The Board of Education desires that its individual members learn, understand, and practice effective governance principles. The Board is responsible for Board member orientation and development. Board members have an equal opportunity to attend State and national meetings designed to familiarize members with public school issues, governance, and legislation.

The Board President and/or Superintendent shall provide all Board members with information regarding pertinent education materials, publications, and notices of training or development.

2. Each Board member must complete training on the Open Meetings Act no later than 90 days after taking the oath of office for the first time.
