Grading and Promotion

The Superintendent shall establish a system of grading and reporting academic achievement to students and their parents/guardians. The system shall also determine when promotion requirements are met. The decision to promote a student to the next grade level shall be based on successful completion of the curriculum, attendance, and performance on the Illinois *Partnership for Assessment of Readiness for College and Careers* (PARCC), and/or other assessments. A student shall not be promoted based upon age or any other social reason not related to academic performance. The administration shall determine remedial assistance for a student who is not promoted.

Every teacher shall maintain an evaluation record for each student in the teacher's classroom. A District administrator cannot change the final grade assigned by the teacher without notifying the teacher. Should a grade change be made, the administrator making the change must sign the changed record.
