

Attention 5th Grade Parents!

We need a baby picture of your 5th grader!

The yearbook features a 'Guess Who' spread using 5th grade baby head shots. Below is a part of a page from a prior yearbook. So much fun!

1 **headshot** per 5th grade student will be used; **headshots** will be digitally cropped from larger photos (you may crop it or we can)

Please choose a photo with your child at age **6–12 months** (so that one can start to recognize his/her features and personality)

You may either email your photo or submit a hard copy to school; all hard copies will be returned safely and promptly. If you don't have a scanner and don't wish to send a hard copy to school, you can have a photo service, for e.g. Walgreens, Wolf Camera, etc., scan it, put the image on a disk, and then submit the disk to school. Please do not send in any originals...it must be a copy!

Email photos to Anna Harris at annaandtodd@aol.com **OR**

Send hard copies/disk drives to **Anna Harris via Ryan Harris in Ms. Wlodek's class**. Be sure to include your child's name and teacher in the envelope so we can return it promptly. Any questions please contact Anna Harris .Please **submit** your photos by **Thursday, December 21, 2018**. Thank you!
