

Dear Parents and 4th and 5th Grade Students,

Ivy Hall is looking for students that are looking to expand their brains in science, technology, engineering and math. We are looking for students that demonstrate important qualities of an engineer and mathematician.

Your duty to the school as a STEM Club member will be to engage and collaborate with your classmates to explore concepts of science, technology, engineering, and math. This important role requires a positive attitude, growth mindset, and lots of creativity. You **MUST** have transportation that allows you to be picked up after school at 4:00 PM. Sign up soon! SPACE IS LIMITED.

Check all that apply:

- I want to learn more about science, technology, engineering, and math!
- I have transportation that allows me to leave school a little later.

If you are interested in STEM Club, please fill out the bottom portion and return it to school by Friday, February 1 to Ms. Monica, Ms. Nguyen, or Mrs. Balek. Our first meeting will be on Thursday, March 7 in Mrs. Balek’s Room (204) from 3:00-4:00 pm.

Meeting Dates:

3/7, 3/14, 4/4, 4/11, 4/18, 4/25, 5/2, 5/9, 5/16

*All dates are Thursdays.

We look forward to having you in STEM Club! Let’s learn about STEM together! #IvyHallSTEM

Ms. Monica, Ms. Nguyen, & Mrs. Balek
