

KCSD 96 Approved Snack List
Free of the Top 8 Allergens
(Milk, Eggs, Peanuts, Tree Nuts, Fish, Shellfish, Soy & Wheat)
and Gluten
*** Notes single serve snack size available**

Dear Families,

Please find, below, approved items for all classroom snacks. As you can see, the list remains extensive. Additionally, based on prior feedback, you will find more organic/natural items included to provide families with even more choices. In addition, this list eliminates the top 8 allergens and gluten, making this list a “win” for all students! **Please note that all items for daily snack, with the exception of fruits and vegetables, MUST be pre-packaged to allow for teachers to easily check snacks.**

For student safety, please check food labels as ingredients can change without warning. As ingredient labels are necessary to ensure student safety, no homemade baked goods allowed. Please also check that brands match those listed on the approved snack list. Packaging looks similar for many snacks.

Should you have questions about this list or District 96’s food allergy management procedures, please contact Amy Gluck, Director of Educational Services at (847) 459-4260 or agluck@kcsd96.org .

Thank you in advance for your support of safe classrooms! Your child’s classroom may have a specific classroom list; please be sure to adhere to the classroom list if this is the case.
