

Incident at School

Non-Threatening Incident

As District administrators determine is merited, parents will be notified about the non-threatening incident by email at the end of the school day.

Emergency Incident

Protecting students and staff is our first priority.

Parents will be notified by text, phone, and email regarding *confirmed* information as soon as possible.

Be patient and wait for information.

Do NOT call or go to the school.

Avoid contacting students during an emergency, as this could jeopardize their own or other students' safety.

Do not rely on unofficial reports—including social media not managed by KCSD96—for information.

If an off-site family reunification is necessary, follow the emergency pick-up procedures. Parent/guardian photo ID will be required to pick up a student.

District Info After an Emergency/Incident

After an emergency/incident, the District will post on its website homepage (kcsd96.org) statements about a school incident or emergency.

After an emergency/incident, staff will receive information via District email and/or the app the District has provided and designated for this purpose.

Weather-Related School Closures

Schools Closed

If District schools will be closed due to weather, parents will be notified as close to 5 a.m. as possible that morning via phone call, email, text message, and website homepage banner.

Programs/Activities

If District schools are closed due to weather, all scheduled before- and after-school activities will be canceled, including Clubhouse before-/after-school care.

Schools Open

If you receive no message, schools are open and will start on the regular schedule.

After a school closure, no further communication will be sent if school will be open the following day.
