

Remote Learning Plan
D96
Grade 1

Directions:

- These activities are self-directed for students to engage in as remote learning.
- These activities do not need to be started until Tuesday, March 31 but can be started at any time.
- Students must complete all of the activities.
- These activities are due 5 days after school resumes.
- Please contact your child's teacher should you need any assistance. The teachers will be periodically available electronically during regular school hours on typical school days starting on March 31st.

<p>March 31</p>	<p>Literacy: Google Doc</p>	<p>Math Google Doc</p>	<p>Science Go to the BrainPop Jr. app and search for the "Sun" video.
