

# *The Buffalo Grove Police Department*

## **Coloring Challenge**

**The police officers miss seeing everyone out in the community during this stay at home order! Please send our officers a friendly “wave” to say hi. There is no template needed; trace your hand onto a piece of paper, then color and decorate it however you’d like. Feel free to add a message to a family member, friend, teacher, first responder, anyone!**

**Please send your pictures and messages back to us at: [police@vbg.org](mailto:police@vbg.org), so we can share them on the village’s Facebook page.**
