

Pod Squad Information

PROGRAM DESCRIPTION

The Buffalo Grove Park District has partnered with local school districts to provide an in-person program for remote learning. The Pod Squad will be open to a limited amount of children in grades K-5 who are enrolled in School District's 21, 96, or 102. The purpose of this program is to provide working families an opportunity to enroll their children in a safe, supervised, and quiet environment where they can complete remote learning. The Park District is committed to following all COVID-19 guidelines as recommended by Illinois Department of Public Health and the Center for Disease Control.

PROGRAM DETAILS

Due to the limited space in the program, participants of Pod Squad will be required to register full-time (i.e. 5 days, Monday - Friday). Participants and staff will be required to wear a face covering secured over mouth and nose while indoors. Whenever possible, the program staff will provide opportunities for participants to go outdoors to eat lunch and take mask breaks. When weather does not permit breaks outdoors, each location will have a designated room for mask breaks and lunch will be eaten in their designated pod.

Pods will consist of small groups between 6 – 20 participants. Pod sizes will be based upon state guidelines for facility capacity while maintaining 6-ft distance between all participants. Each pod will be provided Wi-Fi access. Pods will be supervised by a combination of Park District and School District Staff. Remote learning will be led virtually by each participant's assigned school teacher.

In order to qualify for Pod Squad, participant(s) must attend one of the following schools:

- District 21: Kilmer & Longfellow
- District 96: Country Meadows, Ivy Hall, Kildeer, Prairie & Willow Grove
- District 102: Meridian, Pritchett & Tripp

PROGRAM LOCATIONS

Each participant will be assigned to one of two Park District facilities. Due to the limited space in the program, the Park District will not honor location requests. Once enrolled, participants will be provided their location assignment. Please note, if the state of Illinois reverts back to Phase 3, the Park District reserves the right to transfer participants to additional locations in order to meet smaller group size guidelines.

1. Alcott Center – 530 Bernard Drive, Buffalo Grove, IL 60089
2. Community Arts Center – 225 McHenry Road, Buffalo Grove, IL 60089

WHAT TO BRING TO POD SQUAD EACH DAY

1. Face Covering
2. Remote Learning Device (fully charged)
3. Charger for Device(s)
4. Headphones
5. Lunch
6. Water Bottle (water bottle filling stations will be available)
7. Hand Sanitizer
8. Snack
9. Any additional supplies deemed necessary to complete remote learning and/or independent activities
10. Towel (for outdoor eating & mask breaks)

POD SQUAD HOURS

To ensure a successful remote learning environment, all participants attending Pod Squad will need to be dropped off at least 15 minutes early and picked up on time. Times have been determined by each participating school district, and the extra 15 minutes has already been included in the Pod Squad hours. For detailed information on pick-up and drop-off procedures read the Pod Squad Guidelines attachment.

Clubhouse will be offered both before and after remote learning for participants who need extended care. Participants who register for Clubhouse will remain in the same location and Park District staff will ensure a smooth transition between both programs.

District 21:

- Grades Kindergarten – 5
 - 8:45 am – 3:30pm

District 96:

- Kindergarten
 - Remote Learning Hours
 - AM Kindergarten: 8:30 - 11 am
 - PM Kindergarten: 12:30 - 3 pm
 - For parents who wish to enroll their Kindergartener in Pod Squad, the program hours will be 8:15 am – 3 pm
 - Participants will complete 2.5 hours of synchronous remote learning, regardless of their assignment in AM or PM Kindergarten. While not participating in remote learning, kindergarten participants will have the opportunity to participate in optional synchronous activities (all via Zoom) from their school or engage in independent activities brought from home.
 - Optional synchronous activities include: P.E., Music, and Exploration Lab
 - Independent activities may include: reading, coloring, playing games, watching a movie, etc.
 - All independent activities need to be provided by the participant and brought to and from home daily.
- Grades 1 – 5
 - 8:15 am – 3 pm

District 102:

 - For parents who wish to enroll their Kindergartener in Pod Squad, the program hours will be 8:45 am – 3:30 pm
 - Participants will complete 2.5 hours of synchronous remote learning, regardless of their assignment in AM or PM Kindergarten. Kindergarteners will need to work quietly and independently in their designated study space for the other half of their day.
 - Independent work may include: asynchronous activities provided by their school, reading a book, coloring in a coloring book, games on an electronic device, watch a movie, etc.
 - All independent work items need to be provided by the participant and brought to and from home daily.
- Grades 1 – 3
 - 8:45 am – 3:30 pm
- Grades 4 – 5
 - 7:45 am – 2:30 pm

REGISTRATION PROCESS

Due to **limited** space and the high demand for care, enrollment will be determined by a lottery system. Participants will need to register for the lottery online at bgparks.org. Lottery registration is dependent upon assigned School District; make sure to use the correct code when registering:

Online Registration Code Numbers:

District 21 Pod Squad: 530605-01

District 96 Pod Squad: 530606-01

District 102 Pod Squad: 530607-01

Once registered, all participants will be assigned and emailed a number. Lottery selection will take place on Wednesday, August 12. Notification of the selected lottery numbers will be sent out via email to all lottery participants. All participants whose lottery numbers are not pulled will be placed on a waitlist. Participants whose number is selected will be notified via phone and email. In order to complete registration, the registration form provided by the Park District must be returned within 24 hours of notification. If the Park District does not receive a completed registration form, they will select another lottery number from the waitlist. **Please note: only participants who have been selected from the lottery and registered into Pod Squad will be eligible to register for the Clubhouse program.**

POD SQUAD FEES BY SCHOOL DISTRICT

- Fees are based on the total number of remote learning days from August 25 through *December 18, 2020
 - *School districts will be monitoring metrics with local Health Departments every 4-6 weeks to determine if a phase-in approach to in-person learning is possible. Currently, we understand school districts are scheduled for remote learning through October 5, 2020. If/when in-person learning resumes for participants, payments will be discontinued, and refunds will be issued for any unused days.
- Payments will be deducted monthly on the 1st or 15th of each month from September through December.
- There will be no refunds issued for payments already processed. Future payments will be cancelled and a final payment may be issued if days utilized were not previously charged for due to fees being accumulative.
- The fees listed are per child/per month.
- Half days & early releases are included in the fees.
- School holidays and institute days are not included in the fees. They may be purchased at an additional cost.

Clubhouse Information

CLUBHOUSE BEFORE/AFTER CARE

The Park District will also offer Clubhouse both before and after the remote learning day for participants who need extended care. Clubhouse attendance options include morning service, afternoon service, or a combination of both. Though attendance is determined by the needs of each participant there is a 3 day minimum requirement for each service (before and/or after). Participants must be enrolled in Pod Squad to enroll in Clubhouse. All participants will be required to choose a pre-determined schedule that can only be changed if facility space and staffing allows; in all cases, such requests will be handled on an individual basis by the Park District. Clubhouse registration will be due at the same time as the Pod Squad registration (i.e. within 24 hours of acceptance and notification).

SAMPLE SCHEDULE OPTIONS

1. Morning Care (3 day minimum) + Pod Squad (5 day requirement)
2. Pod Squad (5 day requirement) + Afternoon Care (3 day minimum)
3. Morning Care (3 day minimum) + Pod Squad (5 day requirement) + Afternoon Care (3 day minimum)

POD SQUAD GENERAL GUIDELINES

1. For safety purposes, there will be a zero tolerance policy for licking/spitting/biting. Any incident will result in removal from the Pod Squad program.
2. Staff and participants must have a face covering with them at all times.
3. While indoors, all staff and participants must wear secure face coverings over their mouth and nose and follow 6-ft distancing.
4. Face coverings will not be required while outdoors unless 6-ft distancing cannot be maintained.
5. Pods will be limited to 20 participants and 1 staff. There will be no intermixing of groups.
6. Pods will be designated one room/space for the duration of the day.
7. Pods must maintain 30-ft between them (when applicable).
8. Pods will have outdoor breaks (weather permitting) if/when everyone in each pod has the same break time from E-Learning.
9. Frequent hand washing will be enforced and all pods will have a supply of hand sanitizer.
10. Drop-off and pick-up for all participants will be contact-less. Anyone picking up a participant will need to be prepared to show ID through vehicle window. Families will receive a sign to hold up with their child's name for a smoother pick-up process and will be required to show each day.
11. Water bottle refill stations will be available at each site. Push button drinking fountains will be turned off.

HEALTH MONITORING

1. All staff and participants will be required to complete a wellness screening self-assessment before arriving on-site each day. A copy of this assessment can be found at the end of this document.
2. Any staff or participant who is exhibiting one or more COVID-19 symptoms will be prohibited from attending Pod Squad.
3. If a staff or participant exhibits one or more symptoms, with no known exposure to someone with COVID-19, they should inform the Park District and follow these procedures.
 - a. If they are getting tested, share the results with the Park District.
 - i. If the test comes back positive, see #8 below.
 - ii. If the test comes back negative, they may return when at least 72 hours have passed since all symptoms have resolved (without the use of pain/fever-reducing medication), no new symptoms have developed, they can reply "no" to all items on the Wellness Screening Questionnaire, and a copy of the written "negative" test result or a "Result Acknowledgment Form" has been submitted to the Park District.
 - b. If they are not getting tested, they can return when they have been fever-free for at least 72 hours (without the use of pain/fever-reducing medication), respiratory symptoms have improved and all other symptoms have resolved (a "Safe to Return" doctor's note must be provided to return while any symptoms are present), they can reply "no" to all items on the Wellness Screening Questionnaire, and at least 10 days have passed since onset of symptoms.
 - i. **The Park District is aware minor symptoms may not indicate COVID-19. A doctor's note clarifying the individual has a history of a symptom or that a symptom is unrelated to COVID-19 may allow the individual to return to the Park District sooner. These situations will be handled on a case-by-case basis with the Park District administration.
4. If a staff or participant lives with a person who has developed symptoms of COVID-19, contact the Park District immediately. The staff or participant is not to attend in-person programming for at least 72 hours to monitor for symptoms or until testing indicates a "negative" result. All situations will be handled on a case-by-case basis.

5. Any staff or participant who has had close contact with any other person who is diagnosed with COVID-19 should quarantine for 14 days after the last/most recent contact with the infectious individual and seek a COVID-19 test at a state or local testing center, healthcare center or other testing locations. If the staff or participant is caring for this person or are unable to isolate, the 14-day quarantine cannot begin until after that person meets the criteria to end home isolation.
6. If a participant exhibits signs during the day, staff will remove and isolate them from their pod and call a parent/guardian for pick-up. If the parent/guardian is not available, the staff will call the individuals listed on the participant's pick up permission form. New this year, the Park District will ask that parents/guardians highlight those individuals who can make it to the site for pick-up within 30 minutes.
7. If a staff or participant is identified as being COVID-19 positive by testing, the following will occur:
 - a. Local health officials, staff, and participants will be notified immediately of any possible case of COVID-19 while maintaining confidentiality consistent with privacy laws.
 - b. Cleaning and disinfecting will be performed according to CDC guidelines.
 - c. All staff and participants should be alert for signs of COVID-19 by watching for symptoms such as fever, cough, or shortness of breath and by taking their temperature if symptoms develop.
8. A staff or participant who has been confirmed with COVID-19 may not return until the following is met:
 - a. If they will be follow-up tested:
 - i. They receive two negative COVID-19 test results taken at least 24 hours apart
 - ii. They have been fever-free for at least 72 hours without the use of fever-reducing medication,
 - iii. Respiratory symptoms have improved and all other symptoms have resolved,
 - iv. They can reply "no" to all items on the Wellness Screening Questionnaire, AND
 - v. Copies of both written "negative" test results OR the "Result Acknowledgment Form" have been submitted to the Park District
 - b. If they will not be follow-up tested:
 - i. They have been fever-free for at least 72 hours without the use of fever-reducing medication,
 - ii. Respiratory symptoms have improved and all other symptoms have resolved,
 - iii. They can reply "no" to all items on the Wellness Screening Questionnaire,
 - iv. They have isolated at home for a minimum of 10 days after symptom onset, or if asymptomatic, from the day testing took place, AND
 - v. They provide a "Safe to Return" doctor's note.

DISINFECTING/CLEANING PROCEDURES

1. Cleaning and disinfecting of each room will be performed according to CDC guidelines.
2. Hand sanitizer and sanitizing stations will be available.
3. Common areas and surfaces will be disinfected frequently.
4. Shared spaces (if applicable) will be disinfected between groups.
5. Shared objects and equipment will be disinfected before and after use.

WELLNESS SCREENING SELF-ASSESSMENT

Below is the questionnaire referenced in the beginning of this document. All participants are required to review the questions below each day prior to attending a Park District program, event, or facility. If a participant answers "yes" to any of the questions, they should contact the Program Supervisor and not attend in-person. Temperatures should be taken before coming to the Park District each day and participants should not attend on-site if their temperature is higher than normal. No-touch thermometers will be available upon request for self-assessment for those who do not have one. By entering a Park District facility or program, the participant or parent/guardian acknowledges that this questionnaire has been completed properly, that the participant has said "no" to each item, and is symptom-free.

Wellness Screening Questionnaire

Name:
