Is remote learning “turning off” your children?

Send them to us . . . in-person!

Our talented faculty will supervise and support them during their e-learning, and at the end of their afternoon provide fabulous, fun, hands-on activities or courses, all in a safe, happy, nurturing environment.

We will ensure that all students . . .

- ✓ Sign in at the appropriate times to join their remote classes and any required supplements;
- ✓ Complete their assignments and homework, and turn them in on time;
- ✓ Receive homework help and the guidance and encouragement they need from our on-site faculty and staff.
