

Stevenson Move-A-Thon: Get Started and Get Moving!

Monday, October 5th – Monday, October 19th

The [Stevenson Move-A-Thon](#) is a fun, virtual way to keep moving and support students and families with limited resources. Walk, bike, run, dance, or play for 125 minutes or more each week of the event. Together, we can stay healthy and positively impact our Stevenson community.

Getting started is easy and we're here to help! Sign up as an individual, family, or socially-distant team. Move however, whenever, and wherever you like. In less than 20 minutes a day, you'll reach your goal. Individuals who raise \$125 or more will earn Move-A-Thon swag.

Join fellow participants in ensuring bright futures for students and families here at Stevenson. Visit <https://stevensonmoves.givesmart.com> to learn more and register.

Move-A-Thon proceeds benefit programs like [Kids in Need \(KIN\)](#), [Stevenson: One Family](#), and [Stevenson to College \(S2C\)](#).
