Registration is NOW OPEN for the 2021 Spring/Summer Baseball season.

Interested in playing baseball?
We offer programs for all of the youth in Buffalo Grove and the surrounding communities, regardless of their ability. BGRA offers several leagues including House baseball (ages 5 and up), Travel, and Buddy (for children with special needs.) We encourage a positive baseball experience by promoting fair play while teaching and supporting sound baseball fundamentals.

Visit our website at BGRABaseball.org for more information about our programs or to register for next season.

We encourage all new and returning players to register as early as possible as we have had waiting lists in the past.
