He and Mrs. Schmidt will reach out to the boys’ scout leader to arrange a conversation with them.

A motion was presented by Mrs. Zarkowsky and seconded by Mrs. Klass to approve the minutes of August 4 and 18, 2020 as presented. On a roll call vote, the motion carried.
Aye: Zarkowsky, Strezewski, Woodman, Klass, Burns, Manka and Tepper

Financial Statements
Mr. Hitcho presented the financial reports noting that all reports were in order. He reported the District is back in the investment pool although interest rates are very low. With no questions or comments forthcoming, Mr. Tepper directed the business office to place the following Financial Statements for the month of September 2020 appropriately on file in the business office: Treasurer's Report and Budget Reports.

Board Reports
Finance Committee
Mr. Strezewski stated the Finance Committee had reviewed three annual items and recommend them for approval on Consent Agenda. The items are interfund transfers, the final budget and the salary report for the State of Illinois.

Policy Committee
Mrs. Zarkowsky stated the Policy Committee had reviewed nine policies from PRESS Issue 105. Several of those policies relating to Title IX were also reviewed by the District's legal firm with changes suggested. After review of the policies, the Committee has recommended they be placed on public review with final
approval on October 20, 2020. Mrs. Zarkowsky added the administration is currently undergoing Title IX training as required by law.

**Legislative Update**
Mr. Tepper acknowledged that Senator Terry Link has resigned and the Lake County Democrats are currently seeking a replacement.

Mrs. Schmidt reported educators are awaiting the Veto session in November and are hoping for indemnification against legal action due to the current pandemic.

**ELC Update**
Mrs. Klass reported the ELC Board addressed resignations, leave requests, new hires, policy, and budget. Camp ELC took place over the summer and brought specific students on site for a very well planned program. The meeting ended with a presentation from teachers demonstrating their work from the summer and techniques for the classroom.

**Thought Exchange Partnership Update**
Mrs. Spiller reported the first meeting of the TEP will be October 1, 2020, where the focus will be on Teaching and Learning in a remote environment.

**Guiding Coalition on Interculturalism Update**
Mrs. Zarkowsky reported the first meeting was held on September 16, 2020 with a substantial virtual turnout. The meeting reviewed progress made since inception in 2015 and brainstormed plans for the 20/21 school year. The GCI will present to the Board of Education on April 6, 2021.

**Space/Facilities/Innovation Committee**
Mr. Burns reported the first meeting took place on September 14, 2020. Since much of their discussion is dependent on the Curriculum department, who have been very busy during remote learning, they have decided to table their discussion until the end of October.

**Human Capital and Adult Leadership Committee**
Mrs. Zarkowsky reported the District will be moving forward with posting the Human Resources position in October. The committee had a brief leadership succession planning conversation

**Other**
None at this time.

**Administrative Reports**
**New Teacher/Mentor and Opening Institute Evaluation Feedback**
Mrs. Spiller presented the feedback from the new teachers/mentor program, and the Opening Institute Week. Both programs were presented virtually and she expressed her deep appreciation for the mentors. Despite the unusual opening of the 20/21 school year, the feedback was positive.
Re-Opening Task Force Update
Mrs. Schmidt stated this presentation would be recorded and shared with the community and staff. She reviewed the foundation of the Re-opening task force as student and staff safety, robust learning, and meeting the requirements of the ISBE and IDPH. She added that she is very proud of the staff for their resiliency and dedication to doing everything they can to make remote learning the best for students.

The District continues to live its values by modeling patience, providing individual support, committing to high levels of learning and celebrating successes. As shared in August 2020, on October 5, 2020, D96 will monitor and evaluate the data to begin the phase-in of our youngest learners. D96 has collaborated and learned from local school districts that are already back to in-person learning and others that are planning their return to in-person learning.

The Illinois Department of Health and the Northern Illinois Health Department Consortium have identified metrics for mild, moderate and substantial community spread parameters. Protocols continue to be updated and Mrs. Schmidt meets every Wednesday with the Lake County Health Department (LCHD). She has placed her trust in the LCHD whose mission is to mitigate and suppress this virus. All D96 decisions will be made in consultation with the LCHD.

Mrs. Schmidt stated that full, in-person learning can only take place once restrictions such as 6 feet social distancing are lifted. School districts have been advised to transition to a phased-in, hybrid model before full in-person learning. On October 5, 2020, Mrs. Schmidt will be looking for local trend data on incidence rates, positivity rates, in-district positive cases, access to human resources and access to testing. Region 9, of which D96 is a part, looks at the same metrics and can trigger mandates to curb any future or continued outbreaks. The current status in Lake County and Region 9 is moderate community spread, allowing us to begin the phase in of in-person learning with our youngest learners. Mrs. Schmidt will add the metrics to our District Dashboard, which will be updated weekly with current status data.

Timelines
October 2, 2020 – Determine if metrics support moving forward with timelines
October 5, 2020 – Announce the determination to the community
October 13, 2020 – Remote Planning Day for faculty and staff – no school for students
October 15, 2020 – If metrics allow, return to Willow Grove for AM and PM kindergarten
October 19, 2020 – If metrics allow, return grades 1 – 2 to in-person learning
October 29, 2020 – If metrics allow, return grades 3 – 5 and 6 – 8 to in person learning

Elementary students will return to in-person learning 2 days per week. Students will be divided alphabetically by last name, with A – L attending school Monday and Tuesday, and M – Z attending school Thursday and Friday. All students will be remote on Wednesday, allowing for additional cleaning of all facilities. This hybrid schedule allows a safe return for students and staff with no diminishing of instruction.

Middle school students cannot be kept in a pod all day and will have to travel in the building. Using the hybrid schedule will keep the numbers small enough to maneuver in the hallways. As with elementary, students will be divided alphabetically by last name, with A – L attending school Monday and Tuesday, and M – Z attending school Thursday and Friday. All students will be remote on Wednesday.
Communication
October 2, 2020 – Faculty and staff
October 5, 2020 – Community
September 30 – October 5 – Families can communicate a change in their choice of fully remote or in-person learning
November 30, 2020 – Survey for January attendance either fully remote or in-person learning
January 11, 2021 – Families may move from fully remote to in-person learning or vice-versa.

With this return to in-person learning, there are causes that could pause or stop in-person learning and revert to fully remote learning such as a surge in metrics, or a positive cluster in a building or classroom. These decisions are made in consultation with the health department or by the State of Illinois.

All persons returning to school, including staff and students, must commit to self-certifying they are symptom free daily, wear masks, maintain social distancing, and hand hygiene. D96 will maintain cleaning protocols. Persons exhibiting one symptom as listed by IDPH requires staff or students to not report to school, or if at school, to be removed from school. Parents must agree to pick up their student if requested to do so. All health and safety protocols must be adhered to.

There has been no improvement in the number of substitutes available but the small class sizes allows classrooms to be combined if necessary. Students have been sectioned to have the same teacher whether they are in fully remote or in-person learning at all levels with the exception of kindergarten. Families who do not adhere to the health and safety protocols will be asked to revert to full remote learning. Mr. Tepper thanked Mrs. Schmidt for the thorough presentation and with no objections from Board members, stated that approval of this proposal will be placed on the agenda under Priority Items for Action.
