

General Personnel

Staff Development Program

The Superintendent or designee shall implement a staff development program. The goal of such program shall be to update and improve the skills and knowledge of staff members in order to achieve and maintain a high level of job performance and satisfaction. Additionally, the development program for certificated staff members shall be designed to effectuate the District and School Improvement Plans so that student learning objectives meet or exceed goals established by the District and State.

The staff development program shall provide, at a minimum, at least once every 2 years, the in-service training of certificated school personnel and administrators on current best practices regarding the identification and treatment of attention deficit disorder and attention deficit hyperactivity disorder, the application of non-aversive behavioral interventions in the school environment, and the use of psychotropic or psychostimulant medication for school-age children.

Professional Growth

The Superintendent or designee shall foster and recommend programs of study designed to improve the school curriculum and the individual teacher's competence. Teachers shall be encouraged to participate in such programs. The District shall offer all staff development programs/topics as identified in the Illinois School Code.

Inservice Training

All teachers shall be required to participate in all inservice programs conducted on days or events listed in the school calendar during hours at which teacher attendance is required. Teachers are encouraged to participate in additional inservice programs.

Workshop or Institute Work - Outside of the Regular Workday

The Superintendent or designee must approve all workshops and the employee's attendance at all workshops, in advance.
