Board Reports
Finance Committee
Mr. Burns stated the Finance Committee had reviewed the ongoing COVID revenue and expenses, bills for January 2021, and the asbestos abatement bids. The committee recommends approval the FY21 purchase order cutoff date, the approval of the per pupil allocation, and the awarding of the asbestos abatement bid.

Policy Committee
None at this time.

Legislative Update
Mr. Tepper reported that HB2170 was approved although not yet signed by the Governor. He added that the House of Representatives will reconvene on January 22, 2021. HP570 was also approved, allowing the life of a TIF to extend to 47 years. Mrs. Schmidt added that through advocating, items were removed from HB2170 in a short period of time that would have been very expensive for schools and unfunded.

ELC Update
Mrs. Klass reported the ELC met with routine agenda items of hires, resignations, and policy review. The food bank continues at the ELC and has been the recipient of many generous donations.

Thought Exchange Partnership Update
Mrs. Manka reported the TEP met on January 7, 2021 with about 30 members present. The group shared challenges and celebrations, offered feedback on summer school and Mrs. Spiller offered an explanation of MAP testing and scores.

Guiding Coalition on Interculturalism Update
Mrs. Zarkowsky reported the GCI met on January 13, 2021, and were treated to a preview of the upcoming Kildeer family celebration. Following that, they broke into 5 smaller groups to work on curriculum, diversity,
physical space, staff representation and student voice. The GCI will report on their progress to the Board in May. She added it was a very productive and interesting meeting

Space/Facilities/Innovation Committee.
Mr. Burns reported the committee did not meet in January.

Administrative Reports
Mid-Year Update on Goal Activity
Mrs. Schmidt presented the status of the Board goals indicating that progress has been made in most areas, while others have been modified due to the current pandemic. Administration and faculty have found ways to continue to focus on student and school improvement despite the current situation. The year-end goal update will be presented to the Board in June 2021.

Re-Opening Plan Status and Check In
Mrs. Schmidt stated that District 96 has consistently followed the Lake County Public Health guidelines and metrics, as all the Area 125 consortium school districts have. There has been a shift to a risk mitigation model. In addition to having implemented 17 mitigation measures, District 96 has added proactive screening and symptomatic testing for a total of 19 mitigations, which lowers our risk levels enough to bring students back in a hybrid model despite the current metrics alone. Currently, Region 9 has been moved to Tier 2 mitigations as well.

Adults will be screened twice per week. So far 79% of our adults have given consent to the saliva screening. Students will be screened once per week. For both groups, BinaxNOW symptomatic testing will be available in all school buildings.

On January 11, 2021, 10 low incidence classrooms returned to a hybrid model of in person learning. On January 21, 2021, early childhood and kindergarten students will return to hybrid learning, as well as students in grades 1 & 2, letters M – Z. On January 25, 2021, students in grades 1 – 6, letters A – L will return and on January 28, 2021, students in grades 3 – 6, letters M – Z will return. Students in grades 7 – 8, letters A – L will return on February 1, 2021, and grades 7 – 8, letters M – Z will return on February 4, 2021. Current full remote learning families will be once again given an opportunity to switch to hybrid learning after spring break.

Despite this return, three situations would cause a return to full remote learning:
1. Local or state official determination
2. A KCSD96 school or schools with a positive cluster
3. Lack of internal capacity to support in person learning (adults)
Mrs. Schmidt encouraged all families, faculty and students to follow all health and safety protocols to ensure a smooth transition back to in person learning.
