**FEE-BASED TRANSPORTATION SYSTEM ENROLLMENT FORM**

*Please complete this enrollment form and turn it in with check payment to the District Business Office OR pay when registering your student online for the next school year. Note the following:*

1. The District 96 Fee-Based Transportation Program is offered to children who live less than 1.5 miles from school and are not eligible for free transportation to and from school. The continuation of the service in future years is subject to review at the end of the school year.
2. Participation in the Fee-Based Transportation Program is offered on an annual basis. There are no refunds or prorated fees based on participation for part of the year. Refunds will not be offered unless the student withdraws from the School District.
3. The administration reserves the right to organize the routes in the most efficient and economical manner possible. It is anticipated that the bus stops will be located at corners throughout the neighborhoods and that the fee-based transportation program will follow the standards for maximum number of riders, length of routes, and behavior of students as applies for regular bus routes throughout the School District.

Families interested in having their children participate in the Fee-Based Transportation System must provide full payment to reserve each child’s seat. Please register for Fee-Based Bus Transportation one of two ways:

- Select to pay “Fee-Based Busing” when registering your student online for the next school year through the Infosnap online student registration system. *(This is the only option that allows payment by credit card.)*
- Pay by check (payable to School District 96) and mail or deliver with this completed form to the School District 96 Transportation Dept., 1050 Ivy Hall Lane, Buffalo Grove, IL 60089.

**The cost per student for the school year is \$525.00.**
