

Subject: New Health Benefit

Hello,

Great news, we are happy to announce a new health benefit for all eligible employees and family members.

If you or your dependent are enrolled on the WEA Trust health insurance plan and have been diagnosed with diabetes, you qualify for the Livongo for Diabetes™ program, which includes a smart touchscreen glucose meter and unlimited lancets and test strips — all at **no cost to you!**

**What you'll get with the program:**

- Blood glucose monitoring system
- Unlimited lancets and test strips
- Access to Certified Diabetes Educators® and a dedicated support team

To learn more and sign up, go to [Livongo's website](#). Please have your health insurance card handy when you begin enrollment. Use registration code TRUSTDM.

Keep a look out for additional information from Livongo for Diabetes™ about the advantages of this new program in the coming weeks.

We are really excited to offer this new benefit and encourage you to take advantage of it. If you have any questions about the program, don't hesitate to reach out. Have a great day!

John R. Zegers, Superintendent  
School District of West De Pere
