Staff,

If your spouse is having trouble with appearing for their feedback session following the PHAs they can call [1-800-528-7883](tel:1-800-528-7883) and schedule a phone conference with the onsite clinic.

The clinic hours are:

*Monday & Wednesday 6-8am and 3-5pm and Fridays 6-8am.
1st & 3rd Tuesdays 2:30-4 pm*

This option is only for spouses.

Thanks
