

UNIVERSITY of WISCONSIN
GREEN BAY

We are looking for junior scientists!

We are looking for children (ages 3-7) to participate in a research at UWGB for 1-2 hour and receive \$10-20 gift card

UWGB Psychology and Human Development professors are looking for children **ages 3-7** to help us better understand how their **brain and mind develop**. To participate, we invite you to visit the UWGB campus, and your child will interact with college students to play some games and answer questions (1-2 hours). The family will receive a **\$10-\$20** gift card and a small prize for each participation (**up to \$60**).

Please call, email, or take a short survey to set up an appointment or for more information!!
