

November 2018 Box Tops Results

1179 Box Tops were submitted in November! This means our school will receive \$117.90. Keep clipping so we can reach our goal of \$1500.00 for the year.

Congratulations to the 3rd graders! They submitted 443 box tops and won the monthly contest. They will receive an extra recess or play time for winning the monthly competition.

You no longer need to count box tops. Simply put them in a zip lock bag or an envelope and label the bag or envelope with your child's grade.

Box Tops should be deposited in the appropriate grade level orange bucket located in the resource areas or given to your child's teacher.

As a reminder, Box Tops do have an expiration date. We do not receive money for expired Box Tops. **Please check the dates and be sure to send to school before the expiration date.**

The list of participating products is available at BTFE.COM/PRODUCTS

Tip: Ask your neighbors, extended family, friends and co-workers for Box Tops. Each one counts and adds up quickly!

The deadline for December's contest is 12/21.

Thank you for your support!
