Spring Break

MR. MARSDEN'S MESSAGE

March is here already. It seems like we've had more days off in the month of February than we've had days in school. Hopefully, the weather will start to turn and spring will be here before we know it.

This month we have our field trip to Happy Joes, our make-up for conferences, and spring break. So, to say the least, there is lots of stuff going on. Let's start with Happy Joes. This trip will take place the 2nd week of March and will give the students a chance to see how pizzas are made, cooked, and served. It is a ton of fun and tasty too!

Then we have conferences that we couldn't seem to get in during the month of February. Here is how they will work: If you had a conference scheduled that was cancelled, your conference will be at the same time on either March 7th or March 8th. If your conference was between the hours of 3:30 pm and 8:00 pm please come at that same time on March 7th. If your conference was scheduled between 8:00 am and 3:30 pm please come at the same time on March 8th. If you do not remember what time you were scheduled, please call your child's teacher to confirm.

Lastly, remember that spring break is from March 25th-March 29th. We will see you back at school on April 1st.

Mr. Marsden

Summer School 2019

Getting Ready for Kindergarten has changed- Please read on

It is hard to believe that we are already in the planning process for this year's Summer School program. Due to changes within this year's program, it has been determined that *Getting Ready for Kindergarten* will go from one - 4-hour offering to multiple 2-hour offerings. Our staff has worked hard to put together new and exciting offerings that will benefit incoming kindergartners in the fall. These courses include *Get Lost in a Book*, *Kindergarten Creations*, and *Full STEAM Ahead* to name a few. These courses will be offered at 8:00 am and/or 10:00 am at Hemlock Creek and/or WDP High School during our Summer School session June 12-July 2.

Due to the referendum, students that will be attending Westwood Elementary in the Fall of 2019 will attend summer school at WDP High School.

Course booklet will be online beginning April, 2nd on the district website. Registration will open at 3:30 April, 9th and will remain open until 3:30 April, 18th.

All registrations and payments will be done online.

Please see the District website, www.wdpsd.com, click on About the District and then Summer School for program information and how to register.

No late registrations will be accepted.
