

May 2019 Box Tops Results

1077 Box Tops were submitted in May. This means our school will receive \$107.70. We raised \$850.40 for this school year. Unfortunately, we did not meet our goal of \$1000.00, but we will try again in the fall.

If you have any box tops with a 06/30/19 expiration date please send them in before the last day of school, June 6th.

Teachers, please check your classrooms and submit any box tops you have laying around before you leave for the summer.

Congratulations to the 1st graders! They submitted 370 box tops and won the monthly contest. They will receive an extra recess or play time for winning the monthly competition.

You no longer need to count box tops. Simply put them in a zip lock bag or an envelope and label the bag or envelope with your child's grade.

Box Tops should be deposited in the appropriate grade level orange bucket located in the resource areas or given to your child's teacher.

As a reminder, Box Tops do have an expiration date. We do not receive money for expired Box Tops. **Please check the dates and be sure to send to school before the expiration date.**
