

To Parents/Guardians of **Third** Graders:

This school year at Westwood Elementary School, your student will learn how to play the recorder. For the cost of **\$4.00**, students may order a **RED, GOLD, GREEN, BLUE, PURPLE, or BLACK RECORDER**. The MPI Prism series two-piece recorder includes a full-zipper case, cleaning rod, and fingering chart. It is a good deal!

**If your family has a recorder at home already, you would not need to buy another recorder; your child is welcome to use it at school!** Please be sure the recorders are in good working condition and are not of the “Dollar Store” variety. Recorders can also be purchased at music stores such as Heid’s Music and Jim’s Music.

**Third grade students must have a recorder for music class!** Students may give the money to me or their classroom teacher **by SEPTEMBER 20!**

Please put the money in an envelope/resealable bag with your CHILD’S **FIRST AND LAST NAME** written on the envelope and what color of recorder.

Thank you,  
Miss Seiler  
Westwood Elementary Music Teacher
