

Return to office no later than September 27th 2019

Teams will be placed and formed after this deadline. Placement is not guaranteed if turned in after deadline.

2019-2020

Destination Imagination is a creative team-building activity that focuses on problem solving and TEAMWORK. While it is a competitive event, my focus is not about that, but rather celebrating the journey you took to get there! What did you learn? Did you set goals? Did you meet or exceed those goals? Where are your strengths? Lets focus on those!

Your team will compete against other teams that solve the same problem you solve, in your grade level. This activity requires TIME and deDication! Each team sets up its own schedule for practices. You are given a budget to purchase your supplies and you must work within that budget with no outside interference. All your props, sets, costumes, research and stories are done entirely by your team!

Teams typically meet one or two days per week for approximately 2-3 hours. In January & February, the teams typically meet on several Saturdays or Sundays to tackle bigger projects. (ex: costume making, painting, props, trips to the store, etc) Students are expected to make most/all practices and must be available on the above referenced dates.

The Regional Competition will be on Saturday, March. 14th, 2020.

YOU MUST BE AVAILABLE FOR THE REGIONAL COMPETITION DATE IN ORDER TO PARTICIPATE*

(*I realize that Solo Ensemble falls the weekend of Regional Tournament, do not let that stop you from signing up, accommodations may be made on a per case basis)

This is, unfortunately, not a guaranteed sign up. Each team hold a maximum of 7 members and each team requires a wickedly generous and amazing parent/guardian volunteer Team Manager. If you or someone you know is interested in managing a team, please let me know. I promise, it isn't as scary as it may seem! No experience needed! Just a love of learning and creativity!
