

WOODBURY CITY PUBLIC SCHOOLS

A Leader in Personalizing Education

November 2018

Dear Parents:

Woodbury Junior – Senior High School is pleased to continue the work begun at the elementary level with student-led conferences. In order to implement this process, students in grades six through eight will follow a three (3) day conference schedule, on December 5-7.

Student – Led Conferences - How They Work:

- The family (student and parents) is scheduled for a 10 minute session with your child's team of teachers.
- Your child will share a PowerPoint presentation that reviews his/her academic work, strengths, weaknesses, and personal goals.
- The last five minutes will be reserved for adult conversation and questions.

Your child will have opportunities to practice their presentation before the conference. They will be well-prepared to present all of the information during the session.

Please utilize the link below for the appropriate grade level to schedule the date and time of your conference. If you do not have access to the internet, you can call the secretary to the Junior High School office, Mrs. Lessman, at 856-853-0123 ext. 200, and she will assist you. This should be submitted by Wednesday, November 21.
