About the Board

Board members are unpaid officials elected by registered voters of Woodbury City. The Board consists of nine Woodbury City residents; a rotation of three Board members are elected each November for three-year terms.

The President and Vice-President of the Board are elected for one-year terms from among the Board members at the annual Reorganization Meeting in January.

What Does the Board Do?

The Board is a legislative branch of the school district. Its primary job is the formulation and evaluation of all policies necessary for the operation of the school district. For example, the Board's legal responsibilities include, but are not limited to: appointing and dismissing personnel, maintaining facilities, adopting an annual budget, and approving district expenditures.

What Does the Administration Do?

The administrative team manages the school district. It works within the limits of Board policy. The team is guided by the Superintendent of Schools who is appointed by the Board. The Superintendent serves as Chief Executive Officer, administers Board policies and keeps the Board informed of the needs and programs of the district. The superintendent is a non-voting member of the Board.

The School Business Administrator/Board Secretary also has multiple responsibilities. The Business Administrator role encompasses responsibility for conducting all business functions of the district, while the Board Secretary role is responsible for correspondence and accurate recording of all Board actions.

Board Meetings

The Board welcomes your attendance at its meetings. The format is determined by state law and Board policy. This meeting guide has been prepared to help you understand what goes on, and how you may take part.

Regular meetings of the Board of Education typically occur on the 3rd Wednesday of every month at 6:30pm. There are a few exceptions to this rule, but meeting dates, times, and locations are always posted on our website at www.woodburysch.com. All meetings are also advertised in advance in accordance with the law. Board voting on action items can only occur during the open portion of an official public meeting.

Executive Sessions are held in accordance with the New Jersey Open Public Meetings Act (Sunshine Law). These are closed to the public. Only confidential matters such as personnel, litigation, or negotiations may be discussed. Executive sessions are generally called at the end of the regular Board meeting.

Special meetings of the Board may be called for a specific purpose. They are open to the public and provide for public participation as deemed necessary by the Board. Action and discussion by both the Board and the public are restricted by the law to the stated purpose of the special meeting.

Speaking at a Board Meeting

Since the Board desires to be a good listener and be responsive to the community, persons desiring to address the Board may do so during the time so allotted on the agenda and according to established procedures.

All comments must be addressed to the president. The individual is asked to identify him or herself, limit comments to a few minutes and avoid discussing personalities. The president reserves the right to limit the number of presentations and/or length of comments. At the discretion of the president, members of the public may be recognized at other times during the Board meeting.

Additionally, as a general statement of protocol, though the comments by members of the public to the Board of Education are welcomed, individuals should attempt to resolve problems and/or complaints through initial contact with appropriate staff or administrators. Such matters should only be brought to the Board after all avenues within a chain of command have been exhausted.
