

WOODBURY CITY PUBLIC SCHOOLS

A Leader in Personalizing Education

February 24, 2020

RE: FAFSA Night

Dear Parent/Guardian,

On Wednesday, March 4 at 6:30 PM, representatives from Rutgers Camden and their partners will be coming to Woodbury to conduct a Financial Aid Workshop. Navigating the college application and the financial aid element is tricky and confusing. This workshop will be both informative and beneficial for you and your student to attend. An RSVP survey will be sent to your student. You will also have an opportunity to meet and interact with your student's school counselor. This workshop's audience is for the parents/guardians of junior and senior high students. Please contact me if you have any questions or concerns.

Professionally,

Mr. Vincent Gravina

Director of Curriculum and Instruction
