

# WOODBURY CITY PUBLIC SCHOOLS

---

*A Leader in Personalizing Education*

Dear Woodbury School Community,

As we have entered into our fifth week of online remote learning, I want to take this opportunity to thank all of you. Thank you for your patience and understanding as we navigate the educational process for all of our students through this most unprecedented time in our nation. These are most certainly difficult times for all of us, but our job is to support you and your children and provide high quality service at all times. Towards that end, please be reminded that remote learning will be continuing until further notice. We will await further notification from Governor Murphy on May 15<sup>th</sup> on any impending changes to remote online learning. We will continue to monitor and adjust our processes when necessary.

Our teachers and administrators are available via e-mail on Monday through Friday during normal school hours to answer any questions you may have. Please reach out to them. In addition, Food Service is available for all students every Wednesday and Friday at our Junior-Senior High location from 9:00 AM -12:00 PM. If you are in need of technology support, please connect your child's principal.

Be safe, stay healthy and remember we are "better together". Thank you for time and attention.

Educationally yours,

Andrew T. Bell Sr.
