A Leader in Personalizing Education

July 31, 2020

Dear Parents/Guardians,

As we prepare to open the 2020-2021 school year, the health and well-being of our students and staff remain our focus and top priority. We have worked collaboratively with our school community to develop a re-opening plan for the upcoming school year. Below you will find some pertinent information regarding our reopening plan:

With the information provided to you, we now ask that you complete a brief Parent/Guardian survey. This survey information will allow us to know your intentions for your child in September. Please be sure to view our Parent FAQ sheet. In addition, all documents will be accessible through email, our district website and social media pages.

If you have any further questions or concerns please email board@woodburysch.com. Thank you so much for your continued support, patience and understanding in these challenging times.

If you have multiple students in our school system, please complete a new survey for each child. Again, thank you for your partnership and support during these unprecedented times.

Educationally yours,

Andrew T. Bell, Sr.

Superintendent
