

WOODBURY CITY PUBLIC SCHOOLS

A Leader in Personalizing Education

Welcome to Junior High!

Dear class of 2027,

We are very sorry that we could not have you here in person for the 6th Grade Orientation, as we are so eager to meet each of you and welcome you to the Woodbury Junior High Family.

However, we worked very hard to make sure that we created a virtual experience that will give you all of the information you need to get you off to a great start in 6th grade, as well as an opportunity to meet your teachers before the first day of school.

Please click on the link below and follow the presentation, which offers welcome videos, tutorials on how to access important sites, as well as access to the 6th grade website which will be used all year, and important dates leading up to the first day of school.

And please remember, we are here to help you throughout this entire process, so please do not hesitate to reach out if you have any questions.
