CHOICE PROGRAM:

Woodbury Junior-Senior High School is recognized as a Silver Medal winner in The US News and World Report Best High School Rankings, the only winner in Gloucester County. We are also proud to be an AVID National Demonstration Junior-Senior High School, the only one in the entire Northeast. In addition, we are the recipient of College Board’s prestigious Inspiration Award for 2012, one of three in the nation.

We have outstanding AVID and AP programs!

Advancement Via Individual Determination (AVID) is middle through post-secondary college readiness system that is designed to increase school-wide learning and student performance. AVID focuses on the least served students in the academic middle -- students who are motivated and exhibit good citizenship but may not have benefited from gifted and talented programs. AVID students are enrolled in an AVID Elective Class where they improve their note-taking, organization, study-skills and collaborative technique. An AVID student is also enrolled in at least one Honors or Advanced Placement Class. AVID students are required to apply to one four-year college and are required to take the SAT during high school. They are expected to maintain a minimum of a “C” average in their core content academic areas.

Woodbury offers the following AP classes: Biology, Calculus AB, Calculus BC, Chemistry, Computer Science Principles, English Language and Composition, English Literature and Composition, Music and Composition, Physics, Spanish Language, Statistics, Studio Art, U.S History, Psychology, and World History.

Choice Seats Available For the 2021-2022 School Year
Woodbury Junior and Senior High School Specialized Program Name: AVID
Maximum number of <u>NEW</u> students that can be accepted: 6 In Grades 8-11
NOTE: Districts may have more seats available than they are able to accept.
A LOTTERY WILL BE HELD AND A WAITLIST WILL BE DEVELOPED IF MORE THAN THE MAXIMUM NUMBER OF APPLICATIONS IS RECEIVED.

District Choice Policies	
a. The district accepts Tier 2 students.	YES
b. The district gives enrollment preference to students who have a sibling currently attending the choice district, provided they will enroll in a choice-approved grade/program and they meet any program-specific criteria.	YES
c. The district gives enrollment preference to choice students who have completed the terminal grade of the sending district (i.e., students who attend a choice district with grades that terminate before 12th grade and with a natural progression to this choice district).	Not Applicable
d. The district gives enrollment preference to resident students who move <u>before</u> the application deadline. If resident students move and file choice applications for the following year prior to the deadline, the district will give them enrollment preference (i.e., accept them ahead of other applicants), PROVIDED that there are choice seats available in the choice-approved grades/ programs and the students meet any program-specific criteria. <i>If the district has already reached its approved choice enrollment maximum, this preference will not apply.</i>	YES
e. The district gives special consideration to resident students who move <u>after</u> the application deadline. Students in this situation may apply as late applicants, PROVIDED that there are choice seats available in the choice-approved grades/programs and the students meet any program-specific criteria. <i>If the district has already reached its approved choice enrollment maximum, this special consideration will not apply.</i>	YES

TRANSPORTATION NOTE TO PARENTS:

Transportation of choice students is not guaranteed. If a student is eligible for transportation (within 20 miles of the school) and the cost will exceed the maximum amount designated in the Annual Appropriations Act, the parent/guardian will be given aid in lieu of transportation and, in some cases, the option of receiving the transportation and paying the additional amount over the maximum. By Aug. 1, 2021, parents should receive notification of their transportation options from the resident district. For more information, read the [Transportation Procedures for choice students](#).

Tiers Explained

Tier 1 students are students who are enrolled in a NJ public school in their resident school district during the time of application and for the entire year (2020-21) immediately preceding enrollment in a choice district. If a student moved during the school year and attended the resident public school of his/her old district of residence, he/she is also considered Tier 1. Choice districts must first fill their available seats with Tier 1 students. If the number of Tier 1 applications exceeds the number of choice seats available, the choice district must hold a lottery to randomly select students. Charter school students are considered to be Tier 1. To qualify as Tier 1 for kindergarten, a student must be attending a state-funded preschool in his or her resident district or a student resides in a district that does not offer a state-funded preschool program or a student has a sibling currently attending the choice district. **Most students applying for kindergarten are in Tier 1.**

Tier 2 students include NJ residents who have **not** attended their resident public school for the entire year immediately prior to enrollment in the desired choice district and do **not** otherwise meet the requirements for Tier 1. This would include students who have been attending public school outside their districts of residence or private school. **Choice districts are not obligated to accept Tier 2 students.** If a choice district accepts Tier 2 applicants, they may do so only after all of the qualified Tier 1 applicants have been accepted. If the number of Tier 2 applications exceeds the number of choice seats available, the choice district must hold a Tier 2 lottery to select students.
