HOME LANGUAGE INFORMATION

The State of Illinois requires every school district to collect a Home Language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students who need to be assessed for English language proficiency.

1. Is a language other than English spoken in your home? ⁽¹⁶⁾ YES NO (Circle one)

If yes, what language? _____

2. Does your child speak a language other than English? ⁽¹⁷⁾ YES NO (Circle one)

If yes, what language? _____

If the answer to questions 1 or 2 is yes, the law requires the school to assess your child's English language proficiency.
