Skokie School District 73½ Athletic and Enrichment Dismissal Procedures 2018-19

Please carefully review the dismissal options available for our athletic and enrichment activities. Check the option that makes the most sense for your family, and **return the signed form** to your child's coach or sponsor. Coaches and sponsors will use the parent/guardian contact information and identified emergency contacts listed in PowerSchool for home communication. Please note you'll need to complete a new form each session.

Athletics:

Please adhere to the start and end times communicated by the coach for practices and games. Typically, each game lasts for one hour. For example, if the game is scheduled to begin at 4:00 p.m., you should plan to arrive at school for pick up at approximately 5:00 p.m. (away games may require additional time for transportation).

Enrichment:

Please adhere to the start and end times listed for each activity in the school brochure and/or on the website.

Check all that apply:

- My child has permission to walk home from school after the activity has ended.
- My child has permission to wait outside *unsupervised* until I am able to pick him/her up after the activity has ended.
- My child will be picked up by a parent or family member after the activity has ended. Please supervise my child until they have been picked up.*

***Please be aware that coaches and sponsors have professional and personal responsibilities after our student activities have ended. Prompt student pick-up is appreciated. Students may no longer be able to participate in an activity if they are picked up more than 15 minutes late twice during the athletic season or activity session.**
