

# AYSO Futsal

Futsal is an exciting, fast-paced small sided soccer game that is played across the world and is officially recognized by both FIFA and UEFA. Futsal earned the status of FIFA's official form of indoor soccer in the 1980s as it was recognized as a scaled down version of outdoor soccer played indoors. It is a 5 v 5 small-sided game played on a hard surfaced, basketball sized court with a smaller, low bounce ball. Futsal places a large emphasis on technical skill in high pressure situations which can be translated into the outdoor game. The sport is a great skill developer as it demands quick reflexes, fast thinking and pin-point passing.

- **Allows players to frequently touch the ball.**
- **Presents many opportunities to score goals and score goals often.**
- **Encourages regaining possession of the ball as a productive, fun and rewarding part of the game (defending).**
- **Maximizes active participation and minimizes inactivity and boredom.**
- **Reflects the philosophy of player development expressed in state and national coaching schools.**
- **Eliminates complicated rules such as offside that may hinder youngsters from "playing".**

Most of the world's greatest players grew up playing Futsal: Pele, Maradona, Messi, Coutinho, Xavi, Ronaldinho, Iniesta, Neymar and Fabregas are just some of the players that grew up playing Futsal. Skokie AYSO offers a Futsal program based on the FIFA Futsal laws slightly modified for the venue. We use the basketball courts at Weber Gym, with touch and goal lines inside the walls. Games start at kick off time, there is no practice or training. Players should wear gym shoes or indoor soccer shoes (no cleats) and shin guards.
